The Life And Times Of Sir Kai Ho Kai:

The Life and Times of Sir Kai Ho Kai Gerald Hugh Choa, 2000 This volume is the result of the conference Politics and Religion in Ancient and Medieval Europe and Asia held at The Chinese University of Hong Kong in 1996 The essays included cover a wide range of regions and historic periods including ancient Egypt the early Roman empire Norman England and medieval China They have in common their concern about the relationship between politics and religion in ancient and medieval Europe and Asia along with respective intellectual and cultural interactions

Keeping Democracy at Bay Suzanne Pepper, 2008 This thoroughly researched study provides an invaluable account of Hong Kong's political evolution from its founding as a British colony to the present Exploring the interplay between colonial capitalist communist and democratic forces in shaping Hong Kong's political institutions and culture Suzanne Pepper offers a fresh perspective on the territory's development and a gripping account of the transition from British to Chinese rule The author carries her narrative forward through the lives of significant figures capturing the personalities and issues central to understanding Hong Kong's political history Bringing a balanced view to her often contentious subject she places Hong Kong's current partisan debates between democrats and their opponents within the context of China's ongoing search for a viable political form The book considers Beijing's increasing intervention in local affairs and focuses on the challenge for Hong Kong's democratic reformers in an environment where ultimate political power resides with the communist led mainland government and its appointees

Hong Kong Notable Doctors Dr. Wong Tai-wai, Dr. Moira M. W. Chan-Yeung, 2025-01-15 This is probably the first book dedicated to the life and times of the doctors who have shaped the medical development of Hong Kong It is a fascinating story of how the pioneers transformed a city with primitive medical services into what it is today a city with advanced medical facilities as in any major Western city Dr Mak Wai ping Chairman Executive Committee and Board of Directors Hong Kong Museum of Medical Science Society The development of Western medicine in Hong Kong to its current sophisticated state over more than 150 years is a fascinating story And this book tells the above history from a special perspective the personalities responsible for this remarkable achievement These individuals spanning over a period of over 150 years comprised doctors in government public medical and health services who advocated new initiatives and laid the infrastructure those who established health policies and moved the health system forward the medical educators who trained the medical workforce and generated new medical knowledge through their research practising doctors who not only delivered medical care but also offered their free services in education and social welfare and pioneer female doctors before and after World War II who struggled their ways to the medical world and shined on their own specialties The story of each doctor is narrated in the context of the complex political social and economic backdrop of his/her time While these doctors from diverse backgrounds lived in different eras and engaged in different branches of medicine they were strikingly similar in several aspects their dedication to serving the community and their tireless labor to achieve their aim at times under

adverse conditions leaving their mark in the history of medicine in Hong Kong **Growing with Hong Kong** ,2002-01-01 The book witnesses and chronicles the 90 years wherein the University of Hong Kong and its graduates were intimately engaged in the development of Hong Kong *Plague, SARS and the Story of Medicine in Hong Kong* ,2006-01-01 The volume covers Hong Kong's medical development in the period from 1841 to early 2005 including the history of hospitals and medical education and the role of the Bacteriological Institute It is a record of how the health care system has evolved and how the territory has been able to cope with the massive increase in population BOOK JACKET *Power and Politics at the Colonial Seaside* Shuk-Wah Poon,2022-09-02 A study of the complex role of the seaside as a leisure space in colonial Hong Kong British sports were in many respects more meaningful in the empire than literature music art or religion They served as an instrument of cultural association and later of cultural change promoting imperial union and then postimperial goodwill Poon analyses the ways in which British colonists and Chinese leaders backed by the rhetoric of public health and nationalism respectively transformed the Hong Kong seaside into a leisure space She argues that the growing popularity of seaside resorts and sea bathing as a preferred form of leisure activity across the social and ethnic spectrums served an important role in shaping the racial relationship between Westerners and the Chinese population as well as the Chinese people's perception of the female body and the seaside during the colonial period The popularity of British leisure forms in colonial Hong Kong does not necessarily mean the triumph of Britishness This book will be of great interest to historians with an interest in leisure and in Empire and Colonialism as well as historians of Colonial Hong Kong and Modern China **Hong Kong History** Man-Kong Wong,Chi-Man Kwong,2021-11-10 This book aims at providing an accessible introduction to and summary of the major themes of Hong Kong history that has been studied in the past decades Each chapter also suggests a number of key historical figures and works that are essential for the understanding of a particular theme However the book is by no means merely a general survey of the recent studies of Hong Kong history it tries to suggest that the best way to approach Hong Kong history is to put it firmly in its international context **"Heal the Sick" was Their Motto** Gerald H. Choa,1990 **Colonial Hong Kong and Modern China** Pui-tak Lee,2005-09-01 Essays examine the relationship between Hong Kong and China **Political Change and the Crisis of Legitimacy in Hong Kong** Ian Scott,1989-01-01 Chinese parallel title on jacket romanized as Hsiang kang ti cheng chih pien hua chi cheng fu ho fa hsing chih wei chi Bibliography p 449 467
