An Address** Alice Freeman Palmer, 2022-09-16 In Alice Freeman Palmer's book *Why Go to College? An Address* the author explores the importance of higher education and its impact on individuals and society Written in a clear and persuasive style Palmer addresses the practical benefits of attending college such as increased earning potential and better career opportunities while also emphasizing the broader intellectual and personal growth that can be gained through education The book is a reflection of its time as it was originally delivered as a speech at a time when the question of who should have access to higher education was being debated Palmer's arguments are well reasoned and supported by examples making this a compelling read for anyone interested in the value of a college education As a prominent educator and

advocate for women's rights Palmer brings a unique perspective to the topic drawing on her own experiences to make a passionate case for the transformative power of education Why Go to College An Address is a must read for anyone seeking to understand the benefits of higher education and the role it plays in shaping individuals and society

The Life of Alice Freeman Palmer (Classic Reprint) George Herbert Palmer, 2017-11-21 Excerpt from The Life of Alice Freeman Palmer I cannot explain it Probably genius is never explicable The more nearly it is examined the more intricately marvelous it appears Fifteen years of closest companionship with Mrs Palmer did not dis close to me the pulse of that curious machine She always remained a surprise Yet I never tired of studying her for though we seldom can fully comprehend a person in studying one who is great we can push analysis farther than elsewhere and with larger entertainment and profit we discover a multitude of ingredients unsuspected at first and most interesting of all we come upon strange modes of turning trivial things to power and of gaily discarding what men usually count important And even when at last we arrive at what defies analysis being the very individuality itself its beautiful mystery still lures us on and like Keats's Grecian Urn en largely teases us out of thought About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
