The Life Of Isaac Ingalls Stevens:

The Life of Isaac Ingalls Stevens Hazard Stevens, 1900 Isaac Ingalls Stevens March 25 1818 September 1 1862 was the first governor of Washington Territory a United States Congressman and a major general in the Union Army during the American Civil War until his death at the Battle of Chantilly

The Life of Isaac Ingalls Stevens (Complete) Hazard Stevens, 2020-09-28 About 1640 a mere handful of English colonists went out from Boston and made the first settlement in the town of Andover Essex County Massachusetts They laid out their homes on the Cochichewick a stream which flows out of the Great Pond in North Andover and falls into the Merrimac River on the south side a few miles below Lawrence The infant settlement was known as Cochichewick until 1646 when it was incorporated as a town under its present name after the Andover in Hampshire England the birthplace of some of the settlers Among the first who thus planted their hearthstones in the wilderness was John Stevens His name stands fifth in an old list in the town records containing the names of all the householders in order as they came to town The mists of the past still allow a few glimpses of this sturdy Puritan settler He was admitted a freeman of the colony June 2 1641 Old Style He was appointed by the General Court May 15 1654 one of a committee of three to settle the boundary between the towns of Haverhill and Salisbury a duty satisfactorily performed He was sergeant in the military company of the town a post then equivalent to captain or commander According to Savage N E Genealogies vol i p 186 John Stevens lived at Caversham County Oxford England and came to America in the Confidence from Southampton in 1638 Large substantial head and foot stones of slate sculptured and lettered in the quaint fashion of his day still mark the resting place of John Stevens after the storms of now two and a third centuries in the oldest graveyard of Cochichewick situated opposite the Kittredge mansion and about half a mile north of the old parish meeting house in North Andover He died April 11 1662 in the fifty seventh year of his age and was therefore thirty five years old when he founded his future home John Stevens was evidently a man of note and substance the worthy progenitor of a prolific family which has filled Andover with his descendants and put forth from time to time strong flourishing branches into all quarters of the country It may indeed be safely said that there is scarcely a State in the Union which does not contain descendants of this sturdy Puritan
