by William Shakespeare published in the First Folio 1623 and probably written in collaboration with another author most
likely Thomas Middleton in about 1605 1606 It is about the fortunes of an Athenian named Timon and probably influenced by
the philosopher of the same name The central character is a well beloved citizen of Athens who through tremendous
generosity spends his entire fortunes on corrupt hangers on only interested in getting the next payout The earliest known
production of the play was in 1674 when Thomas Shadwell wrote an adaptation under the title The History of Timon of
Athens The Man hater Multiple other adaptations followed over the next century by writers such as Thomas Hull James Love
and Richard Cumberland The straight Shakespearean text was at Smock Alley in Dublin in 1761 but adaptations continued to
dominate the stage until well into the 20th century Timon of Athens was originally grouped with the tragedies but some
