The Life Times Of Jackie Onassis:

Jackie as Editor Greg Lawrence, 2011-01-04 A fascinating window into an aspect of Jackie Kennedy Onassis that few of us know USA Today History remembers Jacqueline Kennedy Onassis as the consummate first lady the nation's tragic widow the millionaire's wife and of course the quintessential embodiment of elegance Her biographers however skip over an equally important stage in her life her nearly twenty year long career as a book editor Jackie as Editor is the first book to focus exclusively on this remarkable woman's editorial career At the age of forty six Jacket went to work for the first time in twenty two years Greg Lawrence who had three of his books edited by Jackie draws from interviews with more than 125 of her former collaborators and acquaintances to examine one of the twentieth century's most enduring subjects of fascination through a new angle Over the last third of her life Jackie shepherded more than a hundred books through the increasingly corporate halls of Viking and Doubleday publishing authors as diverse as Diana Vreeland Louis Auchincloss George Plimpton Bill Moyers Dorothy West Naguib Mahfouz and even Michael Jackson Jackie as Editor gives intimate new insights into the life of a complex and enigmatic woman Fascinating Town Country Perceptive impressively researched Publishers Weekly You can tell a lot about the late First Lady's life by the books she loved and those she edited in her nearly two decades as a publishing executive O Magazine A deeply admiring portrait Kirkus Reviews A must for Jackie fans Sarah Bradford New York Times bestselling author of America's Queen The Life of Jacqueline Kennedy Onassis *America's Queen* Sarah

Bradford, 2001-10-01 Acclaimed biographer Sarah Bradford explores the life of icon Jacqueline Kennedy Onassis in a definitive portrait that is both sympathetic and frank With an extraordinary range of candid interviews many with people who have never spoken in such depth on record before Bradford offers new insights into the woman behind the public persona She creates a coherent picture out of Jackie's tumultuous and cosmopolitan life from the aristocratic milieu of Newport and East Hampton to the Greek isles from political Washington to New York's publishing community She probes Jackie's privileged upbringing her highly public marriages and her roles as mother and respected editor and includes rare photos from private collections to create the most complete account yet written of this legendary life **Jacqueline Bouvier**

Kennedy Onassis Barbara Leaming, 2024-07-02 Provocative Jackie's post 1963 actions make a new kind of sense With a diagnosis of PTSD in mind incidents once criticized can be reassessed USA Today The instant New York Times and USA Today bestseller The untold story of how one woman's life was changed forever in a matter of seconds by a horrific trauma Barbara Leaming's extraordinary biography is the first book to document Jacqueline Kennedy Onassis lonely and valiant thirty one year struggle with post traumatic stress disorder PTSD that followed JFK's assassination Here is the woman as she has never been seen before In heartrending detail we witness a struggle that unfolded at times before our own eyes but which we failed to understand Leaming's biography also makes clear the pattern of Jackie's life as a whole We see how a spirited young woman's rejection of a predictable life led her to John F Kennedy and the White House how she sought to

reconcile the conflicts of her marriage and the role she was to play and how the trauma of her husband's murder which left her soaked in his blood and brains led her to seek a very different kind of life from the one she'd previously sought. A life story that has been scrutinized countless times seen here for the first time as the important story that it is. A story for our times at a moment when we as a nation need more than ever to understand the impact of trauma. An intimate and revealing look at one of the 20th century's most remarkable and misunderstood women. Kirkus Reviews Compelling. A fruitful way of making sense of Jackie's sometimes odd seeming choices. The Boston Globe

Jackie Jenny Shunak, 2023-07-16 THE LIFE AND TIMES OF JACQUELINE KENNEDY ONASSIS She was the first lady of the United States and the world the wife of John F Kennedy the 35th president of the United States. She was also a writer, photographer and book editor, a lover of history, culture and arts, a cultural ambassador and a humanitarian. She was Jacqueline Kennedy Onassis, one of the most famous and admired women of the 20th century. But she was also a woman of many contradictions and controversies. She was a shy and private person who became a public figure and a fashion icon. She was a loyal and devoted wife who endured her husband's infidelities and assassination. She was a dignified and elegant lady who posed nude for a photographer and married a Greek tycoon. She was a refined and cultured woman who worked as a book editor and supported various causes. In this brief biography you will discover the story of Jacqueline Kennedy Onassis from her birth in 1929 to her death in 1994. You will learn about her childhood and education, her career and marriage, her role as the first lady, her widowhood and remarriage, and her later years and legacy. You will explore her personality and character, her strengths and weaknesses, her passions and preferences, scandals and betrayals, her hopes and fears. You will also examine her impact and influence on American society and culture, as well as on the world at large. Jacqueline Kennedy Onassis was not a flawless woman. She had imperfections and shortcomings, errors and regrets. She was not always content or satisfied. She was not always admired or esteemed. But she was always authentic. She was always Jacqueline. And she was always extraordinary.

The Life & Times of Malcolm McLaren Paul Gorman, 2020-04-09 I couldn't put this book down. Malcolm inspired us to make art out of our boredom and anger. He set us free. Bobby Gillespie. Primal Scream. Included in the Guardian 10 best music biographies. Excellent. With this book, Gorman convincingly moves away from the ossified image of McLaren as a great rock n roll swindler, a morally bankrupt punk Mephistopheles, and closer towards his art school roots, his love of ideas. Tiresome, unpleasant, even cruel, he was. This book underlines never boring. Sunday Times. Exhaustive, compelling. Observer. Definitive epic. The Times. Gobsnacker of a biography. Telegraph. This masterful and painstaking biography opens its doorway to an era of fluorescent disenchantment and outlandish possibility. Alan Moore. Malcolm McLaren was one of the most culturally significant but misunderstood figures of the modern era. Ten years after his life was

cruelly cut short by cancer *The Life Times of Malcolm McLaren* sheds fascinating new light on the public achievements and private life of this cultural iconoclast and architect of punk whose championing of street culture movements including hip hop and Voguing reverberates to this day With exclusive contributions from friends and intimates and access to private papers and family documents this biography uncovers the true story behind this complicated figure McLaren first achieved public prominence as a rebellious art student by making the news in 1966 after being arrested for burning the US flag in front of the American Embassy in London He maintained this incendiary reputation by fast tracking vanguard and left field ideas to the centre of the media glare via his creation and stewardship of the Sex Pistols and work with Adam Ant Boy George and Bow Wow Wow Meanwhile McLaren s ground breaking design partnership with Vivienne Westwood and his creation of their visionary series of boutiques in the 1970s and early 80s sent shockwaves through the fashion industry *The Life Times of Malcolm McLaren* also essays McLaren s exasperating Hollywood years when he broke bread with the likes of Steven Spielberg though his slate of projects which included the controversial *Heavy Metal* *Surf Nazis* and *Wilde West* in which Oscar Wilde introduced rock n roll to the American mid west in the 1880s proved too rich for the play it safe film business With a preface by Alan Moore who collaborated with McLaren on the unrealised film project *Fashion Beast* and an essay by Lou Stoppard casting a twenty first century perspective over his achievements *The Life Times Of Malcolm McLaren* is the explosive and definitive account of the man dubbed by Melvyn Bragg the Diaghilev of punk *The Good Son* Christopher Andersen,2015-06-09 Like many parents and children Jacqueline Kennedy Onassis and JFK Jr shared an intense tender and often tempestuous bond It was quite simply the most important relationship in John s life With riveting insight Andersen reveals how mother and son influenced challenged and supported each other through good times and bad unveiling startling new details about a family we thought we already knew John s reaction to his mother s bout with suicidal depression and growing dependence on prescription drugs the surreal and ultimately catastrophic impact of the Onassis years the premonitions that terrified Jackie about John s fate Jackie s success at keeping John away from his hellraising cousins and his complicated relationship with the rest of the clan the power she wielded over his affairs with Madonna Sarah Jessica Parker Daryl Hannah and others how John privately handled the scandalous revelations about his parents marriage the secrets about John s own turbulent marriage and his senseless death Bittersweet provocative thoughtful and inspiring this is the often heartbreaking tale of two lives tested by history and tragedy From publisher description **The Biography Book** Daniel S.
