The Light of Divine Altruistic Love Ridley Stevens, 2021 Purity is a condition of the soul that implies divine grace has been acknowledged and further has been granted with this condition of light not having any relationship with the darkness of evil The angels the cherubs the seraphim are pure with this status enabling them to see the face of the Almighty Angels are spirits of light the spirit begotten children of the Father of lights messengers of the spirit of mercy faithfulness truthfulness forgiveness optimism and joy that impart a language of service by means of the spirit of altruism where the strong serve the weak to all who are to inherit paradise and salvation Since the faithful angels are pure spirits the Father is a pure spirit a Holy Spirit being undefiled and therefore all that is in him are the spirits of selfless love of selfless justice of selfless power and of selfless wisdom which all shine as radiant light opposing and exposing the spirits of evil which are selfish love selfish justice and selfish wisdom It follows then that the Father of lights having no sharing with evil does not punish punishment being evil anybody for anything at all but only protects guides supports and disciplines but never punishes not even those that stand firmly as enemies and adversaries The Father has no hatred indifference bitterness or enmity in His heart towards anyone but has a heart that vibrates with purity and affection God is Love

Raising the Love-Light of a Child Darlene Westhelle, 2021-08-03 You are a loving person and you love kids. But what is love exactly by your definition? Have you ever really thought about it? Is love simply some warm fuzzy that you've been taught to express with three little words? Or is it much more than that? And how would you describe it? Have you explored any of the beliefs, the rote script, comments, the auto responses, the unquestioned systems, all the that's just the way it is, programs, the generational patterns, the inconsistent behaviors that send mixed messages, and the copy and paste words and attitudes that you inadvertently share with kids? And have you intentionally worked to raise the frequency of your own lovelight, revealing and healing any parts of you that may affect the energy and thus the growth, brilliance, and resilience of children in your care? Come, let's explore and train our hearts to see through the lens of love to make the necessary adjustments to our programming. Let's shine the light on and disrupt the old ways of thinking and behaving that have created the undesirable, inequitable energies of the collective consciousness and the current systems. With that light, we can heal, change, grow, and create a brighter new environment for the kids, with the kids preserving and maintaining the strength of our inherent lovelights. *The Power Source of Love* David Daniel Bergin, 2017-06-20 Good words, feelings, taking you to a better place. The creation of love in your mind. Nice thoughts instantly raising your vibrational frequency. Maintain this feeling, acting out in love all the time. Work with this healing energy. THE POWER SOURCE OF LOVE will heal you and all those around you. You'll be glowing with love in your life. Just try to incorporate love's healing energies on a daily basis. If you get a little over weight, you'd go to the gym or engage in some exercise program. Why not make time in your life to exercise thoughts, actions towards love, some loving kindness, non judgmental forgiveness, and gratitude. Surely all the people in your life would welcome this lovely behaviour with open arms.
