The Lightning Seeds:

Guardian of the Lightning Seeds John Eudy, 2021-10-13 Long before the Spanish explore the American West God entrusts lightning seeds from the fabled tree of life to a noble Native American tribe They keep the seeds safe in Mesa Verde for several generations until a fierce skinwalker steals them In the aftermath the chief's fifteen year old son Notah is sent by an angel to retrieve the seeds He must leave his home and travel across the desert southwest to Death Valley where the skinwalker has hidden the seeds in the ancient underground city of Shin au av He must complete this quest before the moon is full lest the devil claims the seeds for his own malevolent use The young brave travels with a unique band of Japanese warriors the Hotaru Raiko Part human and part lightning bug they are unlike anything Notah has ever seen in nature Can these two cultures steeped in the way of the warrior come together in the service of God Can they complete the journey defeat monstrous creatures and escape the ancient city with the seeds Will Notah ever be able to return to his nomadic tribe and restore the lightning seeds to their rightful place
