Pastoral Care for Survivors of a Traumatic Death Jeonghyun Park, 2017-11-07 Modern life has led to an increase in traumatic deaths such as accidents murders suicide and other types of unanticipated violent death Family members and friends grieving a traumatic death face enormous shock numbness and despair as well as the need to find hope and God's mercy and grace in the midst of chaos difficult questions and confusion The Christian church and faith community often do not provide appropriate pastoral care to help the bereaved overcome their despair Jeonghyun Park explores the unique characteristics and dynamics of traumatic grief or grief in response to traumatic death and present several approaches to pastoral care The survivors of a traumatic death are likely to ask pastors spiritually despairing and tough questions such as Where is God in this tragic death If we have to accept this new reality where can we find God's grace and mercy power and justice Pastors and other spiritual leaders can provide comfort to the loved ones of victims of traumatic death by assisting them with their questions concerning a helpless God and a cruel God This book offers new insights through specific pastoral care models and guidance for families needing healing recovery and meaningful rituals The Pastor and Grief Jon L. Joyce, 1973-01-01 **A Necessary Grief** Larry J. Michael, 2014-12-01 A handbook to enable ministry leaders to help others through bereavement Grief is a difficult topic that ministry leaders deal with on a regular basis Do they have confidence in helping those who are suffering the loss of a loved one Do they feel equipped to meet the differing needs that occur in the life of a survivor Can they lead someone through a process of grief reconciliation Are they able to plan and implement a bereavement ministry in their church or parish Here is a book that can help leaders in a practical way to minister to those who are grieving In addition they will discover essential tools to deal with grief's difficult questions Drawing upon his thirty years of experience as a pastor and as a professional grief counselor Dr Michael provides a valuable resource for pastors and other grief leaders to use within their churches and organizations and their surrounding communities This work is a practical

guide that will bring a greater understanding of the impact that loss has upon individuals and will provide competent counsel for ministering to them In addition it will equip the leader to implement a ministry of grief education and bereavement within a church or organization *A Foot in Two Worlds* Vincent D. Homan,2013-01-31 After the untimely death of his son a pastor learns he must find a balance between grief and Christian hope ultimately discovering that embracing one does not diminish the other He learns grief is not an illness one must recover from but a journey one must walk *A Foot in Two Worlds* examines the intense grief that accompanies tragic loss and demonstrates how it interacts with our perception of goodness innocence and God Each chapter explores the conflicting life experiences that tragedy or loss often forces onto people who trust in a good God Grief is a nondiscriminatory offender striking the hearts and homes of its victims This story welcomes the grief stricken to a place of middle ground where faith doubt hope and loss coexist starting the move from innocence to a hopeful reality Of the many books on grief few offer permission to the bereaved to develop a new normalcy by embracing both grief and hope *A Foot in Two Worlds* targets several significant needs It compassionately reaches out to the entire community of the bereaved with special grace offered to brokenhearted parents It gives a deeper look into the heart of grief and mourning Finally through stories and scripture the book offers direction and understanding to those who provide care to family members and friends who suffer tragic loss

Heartbreak to Hope Samuel L. Wright,2016-05-25 **Reflections on Death and Grief** Albert J.D. Walsh,2010-01-07 When we are called to minister to the dying and or bereaved many of us who count ourselves as servants of God too easily prejudge the matter and rush in with words and a trite formula Words have become our trade jargon our bane and verbiage our downfall Bert Walsh knows this all too well Only in the last of five chapters does he get around to the things which we are to say in the presence of crisis But those are words we have long ago learned from reading the New Testament or heard time and again from well meaning consolers What is crucial is that which comes before those words are spoken and surrounds them from the Foreword by G Clarke Chapman Jr Believing that death and bereavement present pastors and believers with the most extreme challenges to faith Bert Walsh carefully examines the potential for new discoveries greater personal growth and maturity in faith offered to those who minister to the dying and bereaved With his uncommon insight and measured simple purposeful style the author helps those who minister to the grieving to develop a new sensitivity to both spoken and unspoken needs He expertly demonstrates that there is a time for words of solace and consolation there is also a time for silence a time for touching a time to share tears Periods of silence no longer need to be awkward or uncomfortable Rather they can become productive moments of quiet reflection and prayer

Tracks of a Fellow Struggler John R. Claypool,2019-11-17 John Claypool had been a pastor for almost two decades ministering to others who suffered through the loss of loved ones when the loss came home with the death of his eight year old daughter This book is the story of Claypool s own journey through the darkness written through four sermons The first was delivered just eleven days after his daughter s diagnosis of leukemia the second after her first major relapse nine months

later and the third weeks after her death The final sermon a reflection on the process of grieving was preached three years later Job who also struggled with God and found him emerged twice the person he had been And so can we Though our journey will be uniquely our own when the time comes and come it will if we love at all Claypool has left tracks Furthermore he has not erased those places where he faltered They are honest tracks The Texas Churchman With more than a million copies sold Tracks of a Fellow Struggler is once again available in a hardcover edition perfect for gift giving or for anyone seeking God's comfort in difficult times to read and cherish

Learning to Jump Again Anthony Weber, 2011-08-08 As a pastor and teacher Anthony Weber tried to help people deal with the grief that accompanied the death of a loved one In 2003 he experienced that loss for himself when his father a minister and counselor died of pancreatic cancer while still in his fifties Suddenly Anthonys personal experience challenged his carefully crafted theological understanding of pain and grief Anthony had to revisit a lot of big questions that he thought were resolved Why is life so hard What kind of God allows this and why Why do I feel so disconnected from others How do I handle the roller coaster of emotions Why am I now consumed by fear How should I view the presence of pain in the world How do I as a pastor teach my congregation how to pray when I can't pray anymore Can I doubt How long can I cry And how long will God put up with me *Learning to Jump Again* allows us to grieve at the ripple effect of death grief and loss but not without hope I read *Learning to Jump Again* straight through except for the times I had to stop and wipe away the tears Refreshingly honest Anthony's insightful and winsome writing style helped me process some of the emotions of my own father's death twelve years ago I hope this fine book finds its way into the hands and hearts of millions dealing with death and the grief that accompanies it
