When God Asked Women to Wear Pants Vernon Sparks M.D., 2013-07-16 Hardly any discussion in Christianity can become more heated than one surrounding whether proper dress for women includes slacks or pants Many will be surprised to know that there are inspired counsels in support of such attire but with clearly defined conditions To our great detriment and loss society and most Christians largely ignore these counsels What does Inspiration tell us is healthful What is modest What are the principles we can apply today By a study of human physiology and the Inspired Counsels the author draws some interesting thought provoking practical useful and challenging observations Many of the principles derived are applicable also to the clothing of men and children In all respects the dress should be healthful Above all things God desires us to be in health health of body and of soul And we are to be workers together with Him for the health of both soul and body Both are promoted by healthful dress The Ministry of Healing 288 The print version may be found on my website http://vsdigitalinspiration.com/mbt_book/when_god_asked_women_to_wear_pants Other Side of Ellen White, The Paul Ricchiuti, 2019-04-30 Who was Ellen White anyway Was she just another human like the rest of us Yes she was Of course Ellen White was also a very special friend of God and His personal messenger to those in these last days She sometimes had to share very serious messages from Him with His flock here on earth But that didn t mean she was always the little lady dressed in black looking stern stuffy and unfriendly Not at all In this book Paul Ricchiuti shows us The Other Side of Ellen White the colorful side that was caring kind fun loving and humorous She loved to laugh She loved the people around her and took special joy in experiencing the small wonders of nature every day Many of the stories found in this book come from her time in Australia and at Elmhaven in California Even during these later years she did not lose her zest for life and she worked tirelessly for the beloved children of God until the day she died Enjoy these refreshing reflections on the life of a very special lady who had a very special relationship with God May you also find that joy in walking hand in hand with our Lord

Spiritism in the Adventist Church Colin D. Standish, Russell R. Standish, 1995 If I Were the Devil George R. Knight, 2007 In some parts of the world it seems the Seventh day Adventist Church is in danger of settling down into a social club That is unless it remembers its mission With growing secularization disorientation and institutionalism how can the church maintain its identity How is the church to function considering it was founded on the belief that time is short yet time keeps going on Not just for church administrators and academics this is a call to duty to all church members a call to become

a church alive with passion and purpose Let these pages reinvigorate you with fresh thoughts about the Adventist mission and how to accomplish it Because the world doesn't need another social club It needs to hear God's message
