

The Latvian Orthodox Church

Paul Brummell

The Latvian Orthodox Church:

The Latvian Orthodox Church Alexander Cherney, 1985 *The Russian Orthodox Church, 1917-1948* Daniela Kalkandjieva, 2014-11-20 This book tells the remarkable story of the decline and revival of the Russian Orthodox Church in the first half of the twentieth century and the astonishing U turn in the attitude of the Soviet Union's leaders towards the church. In the years after 1917 the Bolsheviks' anti religious policies, the loss of the former western territories of the Russian Empire and the Soviet Union's isolation from the rest of the world and the consequent separation of Russian emigrants from the church were disastrous for the church which declined very significantly in the 1920s and 1930s. However when Poland was partitioned in 1939 between Nazi Germany and the Soviet Union Stalin allowed the Patriarch of Moscow Sergei jurisdiction over orthodox congregations in the conquered territories and went on later to encourage the church to promote patriotic activities as part of the resistance to the Nazi invasion. He agreed a Concordat with the church in 1943 and continued to encourage the church especially its claims to jurisdiction over migrant Russian orthodox churches in the immediate postwar period. Based on extensive original research the book puts forward a great deal of new information and overturns established thinking on many key points.

Latvia Paul Brummell, 2024-07-23 The new sixth and thoroughly updated edition of Bradt's *Latvia* remains the only standalone guide to this fascinating ever changing Baltic nation. This small enchantingly varied country will appeal to culture vultures, history buffs, outdoors enthusiasts and foodies alike. Connections to the US abound. Prime Minister Krišjānis Kariņš was born in Delaware while famous US based Latvians include tailor Jacob Davies credited with inventing jeans and abstract Expressionist Mark Rothko. Latvia is best known internationally through its capital city Riga whose centre is a UNESCO World Heritage site combining a medieval core providing testimony of its importance as a port of the Hanseatic League and an outer area containing the most extensive assemblage of Art Nouveau buildings in Europe. Latvia is larger than West Virginia yet with a population of under two million is one of Europe's most verdant countries. A low lying landscape of forests, lakes and marshes offers an increasing range of rural tourism options facilitated by recent EU infrastructural investments. Why not go hiking or kayaking in Gauja National Park, go cycling or explore Latgale's lakes. In summer Latvia's Baltic Sea coast comes into its own over 300 miles long, much comprising pristine sandy beaches backed by dunes. Seaside options range from cosmopolitan Jūrmala, once a favoured holiday destination of the Soviet elite, to out of the way idyllic spots the visitor will have to themselves. Latvia's complex history results in tourist attractions ranging from medieval castles to the Baroque splendour of Rundāle Palace and from Daugavpils's Mark Rothko arts centre to a once secret Soviet nuclear bunker. Latvian culture and identity reaches peak expression in the five yearly Song and Dance Festival involving forty thousand performers, but some prefer to relax in a combination of traditional saunas and modern spas. For something completely different you could even visit Karosta, former military prison where the intrepid can book a night in a cell sleeping on an iron bunk. Balancing coverage of the country's cultural attractions with guidance on where and how to
