R. Koester, 2003-02-19 Craig Koester's respected study uses the symbolic language of the Gospel of John as a focus to explore the Gospel's literary dimensions, social and historical context, and theological import. This edition is fully revised and updated and includes a number of new sections on such topics as Judas and the knowledge of God. Fresh treatments are given on a number of issues, including the Gospel's Christology. This new edition offers both new insights and proven worth for students and scholars alike. John 1-10 Elowsky, Joel C., Thomas C. Oden, 2014-02-19 The Gospel of John was beloved by the early church for its spiritual insight and clear declaration of Jesus' divinity. In addition to the homilies of John Chrysostom, readers of this ACCS volume will find selections from Origen, Cyril of Alexandria, and Augustine, supplemented with homiletic material, liturgical selections, and doctrinal material from scores of other church fathers. The Routledge Dictionary of Latin Quotations Jon R. Stone, 2005 Jon Stone rounds off the Latin for the Illiterati trilogy with a comprehensive treasury of classic Latin quotations, mottoes, proverbs, and maxims collected from the worlds of philosophy, rhetoric, politics, science, religion, literature, drama, poetics, and war. The Formation of the Christian Scriptures Margaret Baxter, 2015-07-01 The Formation of the Christian Scriptures is the second volume in a two-part introduction to the New Testament, tracing the processes by which the various parts of the New Testament as we know it came to be written and put together, accepted as Scripture, and then translated. The International Study Guides (ISGs) are clear and accessible resources, contextual and ecumenical in content and missional in direction. The contributors are theological educators who come from different countries and different religious backgrounds and bring practical emphasis alongside contemporary scholarly reflection. The Early Preaching of Karl Barth Karl Barth, 2009-01-01 Westminster John Knox Press is proud to present this special collection of fourteen of Karl Barth's World War I era sermons, the only English language collection of Barth's sermons preached between 1917 and 1920 when he was a parish pastor in Safenwil, Switzerland. This volume offers a fascinating glimpse into Barth's interpretation of Scripture during a time of great historical significance. Renowned preacher William H. Willimon provides expert commentary on the theological and homiletical substance of each selection and points to the many ways in which Barth's early preaching can enrich the work of preachers today. **Life and Building in the Gospel of John** Witness Lee, 2024-03-25 The Gospel of John occupies a special place in the Bible because it focuses on life. Its writer, the apostle John, had a specific burden related to life and building, and his ministry was fully focused on these two matters. His Gospel reveals that God is manifested as the Word and becomes the Spirit to enter into us in order to be our life, but this marvelous fact is not the goal; it is a procedure to achieve an ultimate goal. The Gospel of John says that the Word, who is God, became flesh and tabernacled among us. Life is the procedure, and the tabernacle is the goal. God came to be our life so that He might tabernacle in us and among us that we might receive Him as life for the building up of the house of God. Resurrected to Eternal Life Jürgen Moltmann, 2021-04-13 In this deeply personal and daring meditation, eminent theologian Jürgen Moltmann challenges many closely held beliefs about the experience of dying, the nature of death, and the hope of eternal life. Moving deftly between

biblical theological and existential domains Moltmann argues that while we know intimately the experience of dying both our loved ones dying and ultimately our own death itself is a mystery Are those who have died in fact dead If the dead are alive how or in what respect When the dead awaken to eternal life who wakes Moltmann's interrogations yield surprising and beautiful fruits The living soul that awakens to eternal life is not a ghost in a machine but the *Lebensgestalt* the shape and story of a life its human and divine contexts its whole Drawing on themes from his oeuvre's entire arc Resurrected to Eternal Life testifies to the inner unity of Moltmann's theology the cross the Spirit the kingdom the end and the hope that makes the end present here and now Seasoned readers of Moltmann will find in these pages a capstone of a lifetime of theological exploration while those new to his complex thought will find a concise and elegant entry point into his voluminous work
