The Light That Was Dark A Spiritual Journey:

The Light That Was Dark Warren B. Smith (Social worker), 1992 The Light That Was Dark is a sober warning to the world and to the Church Author Warren Smith learned some hard lessons as a spiritual seeker Smith's spiritual trek took him deep into the California subculture of alternative New Age spirituality He was led to various New Age teachers and teachings that seemed to promise new wonders and a deeper sense of spiritual fulfillment to satisfy his ever intensifying spiritual yearnings Just as everything seems to be coming together for Smith several unexpected jolts and twists occur in his life Concerned that today's Church is being seduced by the same false teachings and same false Christ that drew him into the New Age Smith shares his story

Opening to Darkness Zenju Earthlyn Manuel, 2023-03-21 In darkness we become devoted to clarity courage peace and harmony We discover the basic goodness of all humanity when we experience darkness together Zenju Earthlyn Manuel writes Life itself is a dark experience a magical experience When you hear the word darkness what does it make you feel horror danger or maybe despair We've been conditioned to fear and avoid darkness and blackness yet Zenju Earthlyn Manuel challenges us to consider What if we chose to go deeper into darkness instead of running from it What might we find there beyond our longing for light Drawing on the ancient wisdom found in Zen Buddhism and African and Native American indigenous traditions Osho Zenju reveals how a change in perspective and increased wisdom can help us awaken to the sacredness of dark experiences in our lives so we may experience a reality beyond avoidance and fear Opening to Darkness will take you on a courageous journey into the mandala of darkness a symbolic expression of your inner world where you will travel through eight gateways that are inspired by Buddha's Eightfold Path Along your way you will meet dark mothers from India Nigeria Japan Haiti and Dahomey who both protect and destroy Osho Zenju provides reflective inquiry blessings and meditations as you navigate your way through the vast depths of the unseen It is through this spiritual pilgrimage that we learn how to Experience the wonders of life that can flourish only in the dark Discover a collective doorway to healing and deep transformation Awaken to the illusory nature of light versus dark Illuminate false perceptions and beliefs of darkness Heal the fear and anxiety around darkness and blackness Wrapped in gorgeous lyrical prose Osho Zenju's offerings provide deep soul relief and collective strength to embrace the dark so we may reunite with the sacred process of darkness that flows through the canvas of our lives

The Holy Ordinary Mark Longhurst, 2024-10-22 Locates mysticism as the essential experiential center of any Christian faith Herein lies support for your deepest self Mark illuminates for you that in the ordinary aspects of life there is an extraordinary way to live Drink from these reflections and prepare to be awakened and transformed Phileena Nikole author of Pilgrimage of a Soul The Holy Ordinary takes its inspiration from mystics modern prophets and saints with surprising insights from Christian scriptures Mysticism is a stream of the experiential flowing from the hearts of those who knew and know God explains Mark Longhurst demonstrating the availability to every person of a mystical life Through topics such as How to be contemplative and active

and Live green like Hildegard of Bingen Longhurst speaks to each person's need for transformation This book is both profound and practical a reflective guide for anyone Nones Dones former Christians and Christians open to learning from people of all backgrounds seeking a vibrant just and inclusive spirituality For years I've been wishing for a book that could introduce ordinary people to the spiritual life in a healthy honest accessible way Mark Longhurst has written what I've been waiting for Brian D McLaren author of Faith After Doubt Soul Light for the Dark Night Patrick Flemming, M.Div., L.C.S.W., C.S.A.T., Sue Lauber-Fleming, R.N., M.A., L.C.S.W., Vicki Schmidt, B.S., 2019-05-07 Ready for your spirit to feel whole again These daily meditations provide trauma survivors with a daily experience of the emotional and spiritual healing that our soul wants for us Based on years of counseling and spiritual coaching of survivors of all types of traumas the authors invite readers to a daily healing and empowering connection to their soul and conscious contact with their Higher Power Peace is an inside job Deep within you is an indestructible soul whose voice and divine spark can speak the wisdom you need and prove the light to illuminate even the dark places and shadowy paths of your life journey For many survivors of trauma and abuse the emotional and spiritual wounds of your trauma can drown out the small still voice of your soul and block your view of its light But the dark night of trauma is no match for the inner light of your soul **Seeking union with spirit** Fiona Gardner, 2020-07-08 Although originally daunted at being asked to present the 2020 James Backhouse Lecture to Australian Friends Fiona Gardner came to find that the opportunity encouraged her to reflect more deeply on her own journey and what might usefully be shared with others For over twenty years Fiona has participated in facilitating the Meeting for Learning a year long program for spiritual nurture designed to explore Spirit and Quaker ways and lives with her partner in a small intentional community that has been a place of spiritual nurture and learning She has worked as a social worker for many years and now as a university teacher particularly in fostering critical reflection and spirituality for social workers and critical spirituality for pastoral care workers A continuing challenge in her spiritual life has been how to integrate her spiritual being in all of these aspects of her life Why seek to live life in union with Spirit Such a life in my experience and that of many others is a fuller richer meaning filled and deeper life connected to that which is eternal It means moving from what is often called the divided life beyond opposing forces to a place of wholeness to integrating all of who we are in all that we do To do this means holding together these opposites **Into the Dark** Jacqueline Yallop, 2023-11-09 Often poetic highly researched and thought provoking New Scientist Gently and thoughtfully enquiring The Spectator Can you remember the first time you encountered true darkness The kind that remains as black and inky whether your eyes are open or closed Where you can't see your hand in front of your face Jacqueline Yallop can It was in an unfamiliar bedroom while holidaying in Yorkshire as a child and ever since then she has been fascinated by the dark by our efforts to capture or avoid it by the meanings we give to it and the way our brains process it Taking a journey into the dark secrets of place body and mind she documents a series of night time walks exploring both the physical realities of darkness

and the psychological dark that helps shape our sense of self Exploring our enduring love hate relationship with states of darkness she considers how we attempt to understand and contain the dark and as she comes to terms with her father's deteriorating Alzheimer's she reflects on how our relationship to the dark can change with time and circumstance Darkness captivates baffles and appals us It's a shifty thing of many textures many moods a state of fascination and of horror an absence and a presence solace and threat a beginning and an end Into the Dark is the story of the many darks that fascinate and assail us It faces the darkness full on in all its guises and mysteries celebrating it as a thing of beauty while peering into the void

The One Who Loves Us Kess Frey, 2014-08-26 This far ranging book presents God the Ultimate Mystery of non created Reality as Christ the One Who loves us Spirituality beyond language and in general the inner mystical meaning of the Cross of Christ differing Christian windows found in the stages of evolving consciousness identified by Integral Theory and Centering Prayer's close relationship to all of this are core themes in this work An important insight of Integral Theory reveals that when people are unaware of the stages of evolving consciousness they tend to believe that the perspectives of their own stage's are the only true or realistic views which is actually untrue and leads to needless confusion conflict and misunderstandings among individuals in different stages of evolving consciousness Additionally prayer the allegorical sense of Scripture Lectio Divina grades of evolving love duality non duality and apophatic theology are also major topics discussed The gift of non conceptual contemplation into which Centering Prayer leads us is shown to be a key to Christian unity and harmony among all religious and spiritual traditions seeking to serve the One Who loves us Non conceptual Centering Prayer as a movement into simplicity and silence is readily available to people seeking a deeper spirituality in all denominations and in all stages of evolving consciousness
