

SIR HENRY
POTTINGER

FIRST GOVERNOR OF
HONG
KONG

GEORGE POTTINGER

Sir Henry Pottinger First Governor Of Hong Kong

Yijin Wang

Sir Henry Pottinger First Governor Of Hong Kong:

Sir Henry Pottinger George Pottinger, 1997 Hong Kong Island was occupied by Britain in 1841 and formally ceded by the Chinese government under the Treaty of Nanking the following year The Kowloon Peninsula was acquired under the 1860 Peking Convention and the New Territories secured on a ninety nine year lease from 1898 At the end of more than 150 years of British rule this book examines the career of an outstanding imperial servant in order to explain why and how the British came to assume power there at all Sir Henry Pottinger soldier and diplomat was involved in some of the great issues of nineteenth century foreign and military policy As this book shows Pottinger's role in Hong Kong was decisive Without his influence it is most unlikely that the island would have been brought under the Crown It was his decision against advice from London to make Hong Kong the British base and he became the first Governor and Commander in Chief of the colony and its dependants Pottinger created the structure of Hong Kong's administration applying a British system of government to an overwhelmingly Chinese population and initiating its development into a major centre for Sino British trade during the late nineteenth and early twentieth centuries A Biographical Sketch-book of Early Hong Kong G. B. Endacott, 2005-01-01 The biographical essays in this book first published in 1962 give a sharp and fascinating picture of some of the Europeans who helped establish the colony of Hong Kong and lived through its early years Hong Kong History Man-Kong Wong, Chi-Man Kwong, 2021-11-10 This book aims at providing an accessible introduction to and summary of the major themes of Hong Kong history that has been studied in the past decades Each chapter also suggests a number of key historical figures and works that are essential for the understanding of a particular theme However the book is by no means merely a general survey of the recent studies of Hong Kong history it tries to suggest that the best way to approach Hong Kong history is to put it firmly in its international context *The history of the laws and courts of Hongkong, tracing consular jurisdiction in China and Japan and including parliamentary debates, and the rise, progress and successive changes in the various public institutions of the colony from the earliest period to the present time* James William Norton-Kyshe, 1898 The History of the Laws and Courts of Hong-kong James William Norton-Kyshe, 1898 *History of the Laws and Courts of Hongkong. Tracing Consular Jurisdiction in China and Japan and Including Parliamentary Debates, and the Rise, Progress, and Successive Changes in the Various Public Institutions of the Colony from the Earliest Period to the Present Time. With Illustrations* James William Norton-Kyshe, 1898 **Education in Hong Kong, Pre-1841 to 1941** Anthony Sweeting, 1990-05-01 To reflect the development and history of education in Hong Kong the author has collected a wide range of fascinating and illuminating material from different sources and wherever appropriate has included his own commentaries The book will be a valuable source of reference for educationalists and others who are interested in the development of education in Hong Kong The Englishman in China During the Victorian Era, Vol. I (of 2) Alexander Michie, 2020-08-05 Reproduction of the original *The Englishman in China During the Victorian Era Vol I of 2* by Alexander Michie **Pax Britannica** B. Gough, 2014-07-28 This

book by world expert Barry Gough examines the period of Pax Britannica in the century before World War I Following events of those 100 years the book follows how the British failed to maintain their global hegemony of sea power in the face of continental challenges

Forgotten Souls Patricia Lim, 2011-02-01 The author has recorded the inscriptions on all 8000 graves in the HK Cemetery These by the way will be available in due course as an on line database through the Hong Kong Memory project She has selected from the graves she has recorded a wide range of people whose lives shed light on the nature of society in Hong Kong Inevitably as this was the Colonial cemetery they are predominantly Europeans although there are numerous Chinese and a surprising number of Japanese too She has then sought out information on these people from contemporary newspapers land records court records etc to provide a rich description of life in Hong Kong during the first 100 years approximately from its colonization and a wonderful series of anecdotes Patricia Lim has lived in Hong Kong for more than thirty years and is married to a Chinese She studied at Cambridge University and had a long and happy career teaching English History and Latin in various schools and bringing up a family of three daughters On her retirement from teaching she decided to try to bring the often hard to find heritage of Hong Kong Island Kowloon and the New Territories to the attention of a wider public by publishing two books of walks This book followed on from the second book When gathering material for a walk round the cemeteries of Happy Valley the old silent granite monuments and headstones sparked a keen interest in the lives of the forgotten people who lay buried in Hong Kong Cemetery Patricia Lim turns a tour of the Cemetery into a tantalizing historical journey rediscovering the many individuals whose lives even the most fleeting and obscure reflect significant developments and provide a nuanced understanding of Hong Kong's past A solid database and a riveting good read a winning combination Elizabeth Sinn University of Hong Kong

Global Hong Kong Cindy Wong, Gary McDonogh, 2014-06-03 *Global Hong Kong* locates Hong Kong in the contemporary globalizing world Hong Kong as the authors argue is an archetypal place sitting at the intersection of East and West It is also a major center for global capital flows and world trade Moreover in recent years the island's global cultural power has become increasingly evident as Hong Kong popular culture has spread to the West via a booming film industry While looking at issues of postcoloniality transnationalism and economic globalization Wong and McDonogh focus on the new cultures and social formations of contemporary Hong Kong as well as the transformation of the physical city itself They also trace the new interconnections economic demographic social and cultural between Hong Kong and other parts of the world that have been fostered by globalization Books in this series look at how nations and regions across the world are navigating the tumultuous currents of globalization Concise descriptive interdisciplinary and theoretically informed they serve as ideal introductions to the peoples and places of our increasingly globalized world

Britain's Empire Richard Gott, 2022-01-04 A magisterial history of resistance to the rising of the British empire As the call for a new understanding of our national history grows louder Britain's Empire turns the received imperial story on its head Richard Gott recounts the long overlooked narrative of resisters

revolutionaries and revolvers who stood up to the might of the Empire In a story of almost continuous colonialist violence Britain's crimes unspool from the beginning of the eighteenth century to the Indian Mutiny spanning the globe from Ireland to Australia Capturing events from the perspective of the colonised Gott unearths the all but forgotten stories excluded from mainstream histories *Networks of Domination* Paul K. Macdonald, 2014 In the nineteenth century European states conquered vast stretches of territory across the periphery of the international system This book challenges the conventional wisdom that these conquests were the product of European military dominance or technological superiority In contrast it claims that favorable social conditions helped fuel peripheral conquest European states enjoyed greatest success when they were able to recruit local collaborators and exploit divisions among elites in targeted societies Different configurations of social ties connecting potential conquerors with elites in the periphery played a critical role in shaping patterns of peripheral conquest as well as the strategies conquerors employed To demonstrate this argument the book compares episodes of British colonial expansion in India South Africa and Nigeria during the nineteenth century It also examines the contemporary applicability of the theory through an examination of the United States occupation of Iraq *City Between Worlds* Leo Ou-fan Lee, 2010-05-01 Hong Kong is perched on the fault line between China and the West a Special Administrative Region of the PRC Leo Ou fan Lee offers an insider's view of Hong Kong capturing the history and culture that make his densely packed home city so different from its generic neighbors The search for an indigenous Hong Kong takes Lee to the wet markets and corner bookshops of congested Mong Kok remote fishing villages and mountainside temples teahouses and noodle stalls Cantonese opera and Cantopop But he also finds the real Hong Kong in a maze of interconnected shopping malls a jungle of high rise residential towers and the neon glow of Chinese owned skyscrapers in the Central Business District where land development global trade capital accumulation consumerism and free market competition trump every value except family Lee illuminates the relationship between Hong Kong's geography and its colonial experience revisiting colonial life on the secluded Peak in the opium filled godowns along the harborfront and in crowded plague infested tenements He examines with a critic's eye the Hong Kong story in film and fiction romance in the bars and brothels of Wan Chai crime in the walled city of Kowloon ennui on the eve of the 1997 handover Whether viewed from Tsing Yi Bridge or the deck of the Star Ferry from Victoria Peak or Lion Rock Hong Kong sparkles here in all its multifaceted complexity a city forever between worlds **Opium, Soldiers and Evangelicals** H. Gelber, 2004-02-24 This book questions the universal belief that England's 1840-42 war with China was an Opium War What really worried London was insults to the crown the claim of a dilapidated and corrupt China to be superior to everyone threats to British men and women and seizure of British property plus the wish to expand and free trade everywhere It was only much later that general Chinese resentment and Evangelical opinion at home and in America persuaded everyone that Britain had indeed been wicked and fought for opium Hong Kong's History Tak-Wing Ngo, 2002-09-11 Rewriting Hong Kong's history from the bottom up the chapters

investigate vital but hitherto obscured aspects of the colony's rise. They cover the Chinese collaboration with the colonial regime, legal discrimination and intimidation, rural politics, social movements, government-business relations, industrial policy, flexible manufacturing and colonial historiography. Drawing together contributions from historians, sociologists and political scientists, the book highlights the role played by a variety of social actors in Hong Kong's history and differs both from recent celebrations of British colonialism and anti-colonial Chinese nationalism.

History of the Indian Navy Charles Rathbone Low, 1877

The Law and Regulation of Public Health Eric C. Ip, 2023-11-10 Public health law has been a subject of much controversy and contestation especially since the COVID-19 pandemic broke out. This timely book inquires into the foundational principles of a form of public health law that takes seriously the inherent dignity of the human person. Written from a multidisciplinary perspective, this illuminating study makes the case that the rule of law just as much as population health is an essential determinant of human well-being. Choosing the case of the Hong Kong Special Administrative Region of the People's Republic of China, where life expectancy is among the highest in the world yet whose well-established rule of law tradition is often perceived to be under strain in describing the central dilemmas of public health law, it makes an original contribution to our knowledge of comparative public health law and public health ethics. Situating Hong Kong's public health law in the context of global health, *The Law and Regulation of Public Health* should appeal across the world to students and scholars of public health, medical law, public law, comparative law and international law. It accessibly explains the law to epidemiologists and public health policymakers and public health to jurists and legal practitioners. This book lucidly urges professionals of public health and law to reflect on how the myriad legal instruments and legal institutions should best be used to promote and protect public health in ways that are at once ethical and lawful. It is a must-read for anyone who is interested in gaining insights into public health law and regulation in this highly internationalised Chinese Special Administrative Region.

The Hong Kong Health Sector Robin Gauld, Derek Gould, 2002 The book covers the period from British colonisation of Hong Kong in 1841 through to the present day. It looks at the way in which the health sector developed, the structural arrangements that resulted and the manner in which the health system functions today.

Sir Henry Pottinger First Governor Of Hong Kong Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Sir Henry Pottinger First Governor Of Hong Kong free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Sir Henry Pottinger First Governor Of Hong Kong free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Sir Henry Pottinger First Governor Of Hong Kong free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Sir Henry Pottinger First Governor Of Hong Kong. In conclusion, the internet offers numerous platforms and websites that allow

users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Sir Henry Pottinger First Governor Of Hong Kong any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Sir Henry Pottinger First Governor Of Hong Kong Books
