Sir Vivian The Definitive Autobiography:

Sir Vivian Richards, Viv, Bob Harris, 2001 Wisden Cricket Monthly announced in May 1999 that Vivian Richards had been voted the best international cricketer of the past 25 years by his peers Ian Botham came second and Shane Warne third Both of them voted for Viv Richards *The Art of Centuries* Steve James, 2015-04-09 A century has always had a special resonance in all walks of life and none more so than in cricket Scoring one hundred runs is the ultimate for a batsman As former England captain Andrew Strauss admits it s incredibly hard to do for Ricky Ponting it s a transformational moment in the career of a cricketer Or in the words of Geoffrey Boycott a century has its own magic In *The Art of Centuries* Steve James applies his award winning forensic insight to the very heart of batting Through interviews with the leading run scorers in cricket history and his own experiences Steve discovers what mental and physical efforts are required to reach those magical three figures Despite his own haul of 47 first class tons he himself felt at times that he was poorly equipped for the task So working out how to score centuries is an art And bowlers might not agree but there really is no better feeling in cricket

What If...? Gulu Ezekiel, 2025-07-30 Having explored Indian cricket history in his previous books prolific sports author Gulu Ezekiel now delves into a counterfactual history of Indian cricket from its roots in the 19th century to the present day In this fascinating study he asks What if the Parsees had been thwarted in their pioneering cricket days in the mid 1800s What if the team selection and weather had been different in Australia in 1947 48 What if Tiger Pataudi had not lost an eye in a road accident What if the 1983 Prudential Cup final had turned out differently These and other intriguing scenarios are explored in depth in this unique first of its kind cricket book *From Servants of the Empire to Everyday Heroes* Tobias Harper, 2020-02-13 In the twentieth century the British Crown appointed around a hundred thousand people military and civilian in Britain and the British Empire to honours and titles For outsiders and sometimes recipients too these jumbles of letters are tantalizingly confusing OM MBE GCVO CH KB or CBE Throughout the

century this system expanded to include different kinds of people while also shrinking in its imperial scope with the declining empire Through these dual processes this profoundly hierarchical system underwent a seemingly counter intuitive change it democratized Why and how did the British government change this system And how did its various publics respond to it This study addresses these questions directly by looking at the history of the honours system in the wider context of the major historical changes in Britain and the British Empire in the twentieth century In particular it looks at the evolution of this hierarchical deferential system amidst democratization and decolonization It focuses on the system s largest and most important components the Order of the British Empire the Knight Bachelor and the lower ranks of other Orders By creatively analysing the politics and administration of the system alongside popular responses to it in diaries letters newspapers and memoirs Tobias Harper shows the many different meanings that honours took on for the establishment dissidents and recipients He also shows the ways in which the system succeeded and failed to order and bring together divided societies

all the vibrant sporting storylines of the series while examining the darker undercurrent that existed in a period of ongoing racial tension around the country Traces the origins of the great West Indies team of the 1970s and 80s which featured in the film Fire of Babylon **Tuffers' Cricket Hall of Fame** Phil Tufnell,2017-05-18 Phil Tufnell cricket legend and national treasure has populated his very own Cricket Hall of Fame with a deliciously eclectic collection of cricket legends and offbeat characters with joyful results From boyhood heroes to legendary team mates to fearsome opponents to idiosyncratic umpires and broadcasters Tuffers has gathered together the most enchanting cast of cricketing figures ever assembled And it wouldn't be a Tuffers tome if there weren't a number of captivating appearances from some unexpected quarters including some genuinely off the wall non cricketing inductees to keep life interesting in this very personal Hall of Fame By turns eccentric and warm hearted Tuffers Cricket Hall of Fame is a joy for all cricket fans **Border's Battlers** Michael

Sexton,2019-07-23 It's the 1986 tour of India and Australian cricket is reeling from the loss of key players to retirement and rebel tours Few give Australia a chance against a surging India and even Allan Border doubts his ability to lead this team What follows is one of the most titanic struggles in cricket history Played in oppressive conditions the first Test in Madras now Chennai swung like a pendulum Tensions reached boiling point on and off the field Dean Jones's 210 was one of the gutsiest Australian knocks ever Greg Matthews bowled for most of the final day in a jumper and Ray Bright took five wickets despite being seriously ill The climactic and controversial final ball forced a tie for only the second time in Test history and set a course for Allan Border to remain as captain In Border's Battlers Michael Sexton details the momentous occasion when Australia drew a line in the dust of Madras and drew inspiration from the fight The team returned to Madras the next year to launch a winning World Cup campaign as rank outsiders and the seeds of a new golden age of Australian cricket were sown

International Sport: A Bibliography, 2000 Richard William Cox,2013-10-23 There has been an explosion in the quantity of sports history literature published in recent years making it increasingly difficult to keep abreast of developments The annual number of publications has increased from around 250 to 1 000 a year over the last decade This is due in part to the fact that during the late 1980s and 90s many clubs leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements It is also the result of the growing popularity and realisation of the importance of sport history research within academe This international bibliography of books articles conference proceedings and essays in the English language is a one stop for the sports historian to know what is new
