Guide should stimulate intelligent probing into the past with an eye to the future This in turn should lead to increased wisdom and therefore to wiser decisions and better execution throughout the Army in peace and war The primary purpose of this text is to bring order out of chaos in the fields of historical study and research in the United States Army In line with the views of Clausewitz the principal object of the text is to stimulate a progressive and scientific study of United States military history and leadership with the hope that it will produce searching rather than inventive minds and cool rather than hot heads to which the safety of our country can be most advantageously entrusted in time of emergency or war All officers of the United States Army but particularly those having historical assignments and undergoing instruction at the service schools and colleges or civilian educational institutions will find the text helpful Scholars and others interested in American military affairs may also find it very useful The Writing of American Military History A Guide was originally published by the Department of the Army in June 1956 A Guide to the Study and Use of Military History John E. Jessup (Jr.),John E.

Jessup,Robert W. Coakley,1979 This Guide to the Study and Use of Military History is designed to foster an appreciation of the value of military history and explain its uses and the resources available for its study It is not a work to be read and lightly tossed aside but one the career soldier should read again or use as a reference at those times during his career when necessity or leisure turns him to the contemplation of the military past
