importance of the social and pressure towards solely evidence based knowledge In addition to casting light on areas that have been in the shadows of the mainstream narrative the contributions to this book will raise new questions contributing to continuing discussions between and within each discipline This book was originally published as a special issue of Nordic Social Work Research *Social Work Theories in Action* Kieran O'Donoghue, Robyn Munford, Kieran O'Donoghue, Mary Nash, 2005-02-15 This wide ranging collection of essays offers valuable insights into the cultural issues involved in the practical application of social work theories Leading contributors explore the challenges faced by indigenous populations and ethnic minority groups and offer valuable guidance on cross cultural work **New Directions in Social Work Practice**
