Social Work Practice in Mental Health emphasises the importance of appreciating the lived experience of mental illness and of establishing partnerships based on incorporating a consumer perspective into all mental health work. It also emphasises the healing potential in relationships between consumers, carers and service providers. This is a thorough introduction to social work practice in specialist mental health settings as well as in other fields of practice in the community. It provides a knowledge base for practice with people with the most commonly encountered mental health problems. It offers a practical guide to assessment, case management, family work, community work and the application of the principles of partnership to work with individuals and their families as well as multidisciplinary teams and agencies. **Careers in Mental Health**

Webber, 2011-07-11 Mental health social workers work within multidisciplinary teams often based in health settings. The variety of services they work within are shaped by mental health policy that is increasingly being influenced by research evidence of what works. This fully revised second edition has a new chapter on systematic reviews and greater coverage of the impact of the 2007 amendment to Mental Health Act 1983 on mental health practitioners and services.

Understanding Social Work Practice in Mental Health Vicki Coppock, Bob Dunn, R. W. Dunn, 2009-12-22 This book provides an authoritative overview of mental health theory, policy and practice. Exploring the complex moral and ethical dimensions underpinning the field, the book engages with the key issues encountered by practitioners working in the modern mental health system. Using real world scenarios, case studies and reflective exercises, it asks students to critically examine the world of mental health practice from the perspective of users of mental health services and their careers. Social Work Health and Mental Health Steven P. Segal, 2002 Work collected here was originally presented at the Second International Conference on Social Work in Health and Mental Health held in Australia in January 1998. The collection is divided into concentrations on social policy, research, generic practice and the practice fields of health and medical care, multicultural practice and mental health. Reduced reliance on residential service provision, cross cultural research in palliative care and multidisciplinary service provision are some of the issues discussed. Jackson holds the Chair of Social Work at the University of Melbourne. Segal teaches in the Schools of Social Welfare and Public Health at the University of California Berkeley. This work has been co-published simultaneously as *Social Work in Health Care* v 34 nos 1, 2 and 3, 4, 2001 and v 35 nos 1, 2, 2002. Annotation copyrighted by Book News Inc, Portland, OR. Social Work and Mental Health Malcolm Golightley, 2008-07-09 This third edition provides a thorough grounding in the key issues in mental health and by highlighting the skills and values that are necessary for contemporary practice, helps students to develop their knowledge and understanding to enable them to deliver an appropriate and responsive service for people facing mental health challenges. This edition also reflects the recent and important changes to mental health legislation, policies and practice, including the implementation of the Mental Capacity

Act 2005 and the Mental Health Act 2007 which makes significant amendments to the 1983 MHA including the introduction of the Approved Mental Health Professional
