SOCIAL WORK THEORIES IN CONTEXT

Creating Frameworks for Practice

3rd
edition

OXFORD UNIVERSITY PRESS

Social Work In Context

Marie Connolly, Louise Harms

Social Work In Context:

Social Work: Contexts and Practice, 3e Marie Connolly, Louise Harms, 2013-07-04 Social Work Contexts and Practice is a comprehensive introduction to the field of social work. Now in its third edition it continues to speak to both Australia and Aotearoa, addressing common trans-Tasman concerns while at the same time responding to the unique experiences of social work within each country. The book is divided into three broad sections. Part 1 explores the context of practice and the broad ranging influences that shape the profession, particularly its vision and development. Part 2 then considers the diverse fields of practice in which social workers find employment, and Part 3 looks at the professional developments that both support and challenge social workers.

Social Work, Marie Connolly, Louise Harms, Jane Maidment, 2017-10-16 Social Work Contexts and Practice is a practical introduction to contemporary issues in social work, providing the context of practice and the broad influences shaping the vision and development of the social work profession. It demonstrates how knowledge contributes to flexible social work responses and identifies the ways in which research findings, theoretical insights and practice wisdom can be integrated within dynamic practice frameworks. The fourth edition brings together a team of expert authors to guide students through the unique experiences of social work across Australia and Aotearoa New Zealand. It explores how the enduring commitment to social justice and the protection of human rights shapes social work perspectives and practices.

Social Work Theories in Context, Karen Healy, 2022-07-28 This popular and innovative core text book explores contemporary social work theories and perspectives in a systematic way, using an integrated and flexible framework to link context, theory and practice approaches. Healy expertly provides an applied guide to social work theory across a range of organisational contexts, showing social work as a diverse activity that is profoundly shaped by professional purpose, public policy and practice locations. This edition has been comprehensively updated to reflect developments in the contexts and theorising of social work practices. This is ideal reading to support and develop undergraduate and postgraduate students taking modules on Social Work Theories and Methods on qualifying professional programmes. Its international breadth and supportive pedagogical features have ensured the book's value to students of social work all over the world. New to this edition: New sections on post-humanism and eco-social work. Coverage of a broader range of critical approaches, including feminist and anti-racial social work. Additional practice exercises drawn from realistic case studies.

Social Work, Marie Connolly, Louise Harms, 2009 Social Work Context and Practice is a comprehensive text that introduces students to the theory and practice of social work. A variety of social work environments are explored, with the fields of practice covered by the book including work with the elderly, child protection, mental health, drugs and alcohol, and community development. With an emphasis on cultural practice and field skill development, this text will be useful throughout a student's entire degree and into their professional lives.

What is Social Work?, Nigel Horner, 2018-11-20 Following the lives of four fictional time-travelling characters, it examines the changing functions of social work by unpicking the changing social and political responses to their

needs From its historical roots to the modern and fast moving profession it has become this book looks in detail at how social work has evolved as a profession what social work looks like in recent years and where it is heading There are key chapters on working with different service user groups including vulnerable adults children and families and those with learning difficulties or having to live with mental distress There are also chapters that cover social work as a profession including current services practices themes and debates

Understanding Social Work John Pierson, 2011-10-16 This scholarly and engaging volume shows us where social work has come from and so helps us understand and shape its future The author has a gift for making the profession s complex history accessible whilst respecting its intricacy The result is an illuminating tour de force a book that gives perspective and hope Suzy Braye Professor of Social Work University of Sussex UK Pierson s richly documented overview of social work s evolution in Britain promises to support coming generations of social workers in learning from their field s responses to changing issues and ideas on assistance for those in need J Lee Kreader Interim Director National Center for Children in Poverty Columbia University USA This introductory textbook provides a concise account of the development of social work in Britain from its beginnings in the industrial revolution to the present day The book seeks to recover overlooked experiences and important but forgotten debates whilst re examining the concepts and approaches developed by chief architects of the profession The book has several unique features designed to help students both understand the development of social work and to form their own judgements on the issues it raises Timelines that mark important practice and policy developments Discussion points that pose questions for readers to think through First hand testimony and excerpts from case records showing the viewpoints perspectives and decisions of social workers in earlier decades Documentary material that encourages students to critically reflect on the present in light of the past Understanding Social Work is written with the student and educator in mind in a style and format that makes the history of social work approachable relevant and profound The view of history embodied here is of a continuously unfolding many sided phenomenon that offers a rich source of ethical insight practical experience and moral guidance

Mental Health Social Work in Context Nick Gould, 2009-12-04 This volume helps to prepare students for social work practice and to develop their knowledge concerning promoting the social inclusion of people with mental health problems the changing context of multidisciplinary mental health services an integrated evidence base for practice and working with people with mental health problems across the life course This book is intended to reflect social perspectives drawn from the social and policy sciences as well as incorporating some knowledge from clinical psychiatry

Social Work Vivienne E. Cree, 2011 This inspiring Reader brings together some of the most significant ideas which have informed social work practice over the last forty years Exploring these fundamental ideas the book includes commentaries that allow the reader to understand the texts on their own terms as well as to be aware of their relations to each other and to the wider social work context

Social Work in Context Lester Parrott, Noreen Maguinness, 2017-09-18 This book examines key sociological theories that have contributed

to the understanding of the nature of social work its organisation and delivery It provides key sociological concepts and theories to help student social workers better understand the nature of their work and the social and political context within which they will be working Taking a practical approach to social work and focusing on the application of theory the book also provides insightful discussions to important thinkers such as Douglas Beck and Furedi and how their ideas have direct relevance for understanding the risk averse nature of social work What is Social Work? Nigel Horner,2006 Written for those in the early stages of a UK social work degree or considering social work as a career the second edition of this well regarded book has been updated to reflect the major changes in social work in light of the UKs Children Act 2004 together with the new set of arrangements for planning regulation and quality assurance The book gives an overview of the history of social work from the Middle Ages to its complex structure today and with the help of case studies research summaries and activities encourages readers to reflect on the skills and knowledge required by today s social worker **Social Work in**

War-Torn Contexts Shulamit Ramon,Darja Zaviršek,2025-09-06 This book provides a wide ranging exposure of current developments related to war torn contexts post war societies and social work approaches as well as analysis of the key issues facing social work in war contexts The topic is timely due to the increased number of armed political conflicts the number of internally displaced people refugees and asylum seekers increased length of wars and consequently increased number of civil victims which contribute to an exponential growth in the demand for social work As there are few updated texts on this issue this book meets the considerable gap existing in the social work literature and includes updates as well as continuing trends Currently a huge number of countries are in a state of war in different continents some of which have gone on for more than a decade Inevitably this fact has considerable implications for their social workers as well as for the people they serve with social workers in these countries sharing the reality of the war as citizens The war experience is known to have long lasting intergenerational impacts It also has a strong impact on the many other countries that receive refugees and asylum seekers and or support militarily another country at war and or refuse to support it The book s country focused chapters on Afghanistan Bosnia and Herzegovina Greece Israel Italy Jordan Northern Ireland Serbia South Sudan Syria UK and Ukraine cover major topics including The contexts of armed political conflicts from a social work perspective The impact of war on disadvantaged individuals and groups Forced migration Post war societies and post war reconstructions from a social work perspective The ethical issues related to war and peace from a social work perspective The implication for social work education and research Social Work in War Torn Contexts is an important and timely resource for social work and social science researchers lecturers in different areas of social sciences social work practitioners as well as students Politicians war correspondents international humanitarian organizations and volunteers also will find the book of interest **Social Work in Health Settings** Judith L.M. McCoyd,Toba Schwaber Kerson,2010-01-21 The most comprehensive book of its kind Social Work in Health Settings presents a practice in context framework which is then applied in thirty one casebook chapters

covering a great variety of health care settings from working with survivors of domestic violence through supporting people with HIV to services for military personnel Reflecting the enormous changes in policy health care delivery insurance systems and the diagnosis and treatment of many conditions this third edition features all new case chapters Each chapter considers the impact of dimensions of context including policy technology and organization on the client situation and then explores the key practice decisions that structure the helping relationship the definition of the client determining goals objectives and contract meeting place use of time strategies and interventions stance of the social worker use of resources outside of the social worker client relationship reassessment and evaluation and transfer or termination This thought provoking volume thoroughly integrates social work theory and practice and provides an excellent opportunity for understanding particular techniques and interventions In this era of managed care downsizing and moving away from hospital based work the approach taken in Social Work in Health Settings proves more salient than ever before **The SAGE Handbook of**

International Social Work Karen H Lyons, Terry Hokenstad, Manohar Pawar, Nathalie Huegler, Nigel Hall, 2012-05-18 Social work is a profession that is increasingly involved with issues which have a global dimension This Handbook tackles the global local aspect of social work in its various forms and interrogates the key concerns that societies are facing through an international lens The contributors show that with an appreciation of commonalities and differences local practices and appropriate forms of international activity can be better developed Areas covered include Analysis of International social work Globalisation and indigenisation Social justice and human rights Poverty and livelihoods Ecological issues Migration Education theory research and practice Social work in different settings Religion and spirituality Responses to disasters and conflicts Life course perspectives Regional perspectives Future directions With a truly international range of contributions the Handbook incorporates perspectives from Asia Africa Europe Australasia the Middle East and the Americas It will be an invaluable resource for undergraduates postgraduates researchers and academics working in the fields of social work social welfare human services and community development worldwide as well as service providers and policy makers in the international arena The Social Work Assignments Handbook Sarah Foote, Anne Quinney, Matt Taylor, 2015-10-01 The

Social Work Assignments Handbook is the complete guide to preparing for carrying out and writing up a social work assignment or project Designed to support students through their assignments from beginning to end each stage is fully explained through friendly advice and practical guidance so that students can feel confident in their work whether they are writing up quantitative research findings or carrying out a literature review **Social Work** Marie Connolly, Louise Harms, 2011-09-30 Social work knowledge theory and practice Frameworks models and practice Ecosystems theories Onion peeling theories Faulty engine theories Story telling theories Mountain moving theories Reflective practice and theory

Social Work in a Global Context George Palattiyil, Dina Sidhva, Mono Chakrabarti, 2015-08-20 Social Work in a Global Context engages with and critically explores key issues that inform social work practice around the world Social work can

take many forms and is differently understood in different parts of the world. However at base it can be seen as a profession which strives to advance the causes of the vulnerable and marginalised with the aim of promoting social justice equality and human rights. This text provides examples of social work in a wide range of countries informing our understanding of what social work is. It looks at how practice changes or stays the same and at the impact of policy as experienced by service users as well as by practitioners working in challenging circumstances. It also meaningfully reflects on the strengths and challenges that are enabled by diversity. Divided into four parts this wide ranging text discusses what social work means in four different countries, some examples of the impact social and political context can have on social work practice, how social workers see and work with the vulnerable, the future for social work from disaster work to involving service users. **Social Work in a Global Context** is the first truly international book for all those interested in comparative and cross cultural understandings of social work.

Social Work In Context Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Work In Context has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Work In Context has opened up a world of possibilities. Downloading Social Work In Context provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Work In Context has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Work In Context. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Work In Context. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Work In Context, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Work In Context has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular

choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Social Work In Context Books

1. Where can I buy Social Work In Context books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
