

Socialism In Western Europe The Experience Of A Generation

Steven Philip Kramer

Socialism In Western Europe The Experience Of A Generation:

Socialism In Western Europe Steven Philip Kramer, 2019-06-04 This is a book about what it meant to be a socialist in Western Europe for the generation which came to maturity after World War I It attempts to capture the subjective aspect of the socialist experience through interviews conducted with socialist leaders who held a significant place in the movement from the 1930s on

Moments of Decision Stephen Eric Bronner, 1992 Moments of Decision takes a fascinating look at the course of radicalism in our time It orients progressives with respect to their traditions shows the relevance of the past to the present and provides a new political interpretation of the struggle for democracy and economic justice

Socialism in Western Europe Steven Philip Kramer, 2019-10-02 This is a book about what it meant to be a socialist in Western Europe for the generation which came to maturity after World War I It attempts to capture the subjective aspect of the socialist experience through interviews conducted with socialist leaders who held a significant place in the movement from the 1930s on

Does Generation Matter? Progressive Democratic Cultures in Western Europe, 1945-1960 Jens Späth, 2018-05-21 Generation has become a central concept of cultural historical and social studies This book analyses how this concept is currently used and how it relates to memory and constructions of historical meaning from educational historical legal and political perspectives Attempts to compare different national generations or to elaborate boundary crossing transnational generations still constitute an exception In trying to fill this gap this collection of essays concentrates on one crucial moment of the age of extremes and on one specific generation the year 1945 and its progressive politicians and intellectuals Focusing on Italy West Germany and France it suggests that the concept of generation should be regarded as an open question in space and time Therefore this volume asks what role generation played in the intellectual and political debates of 1945 if it facilitated change if it served as source of solidarity and cohesion and how post war societies organized their time

Soviet Russia, 1921

Soviet Russia Pictorial, 1921

Dilemmas of Social Democracy Donald Share, 1989-01-10 This incisive volume examines the rise to power of the Spanish Socialist Workers Party and the dilemmas it faced once in power Unlike any other work in print it deals with the Spanish Socialist Party exclusively and focuses on some of the problems facing all socialist parties in advanced capitalist democracies Share's introduction discusses the combined crises of advanced capitalism and social democracy and provides an informative overview of the complex dilemmas facing sound democratic future in the 1980s Dilemmas of Social Democracy examines in depth how the economic electoral ideological and internal organizational crises have compounded each other how the European social democratic parties have responded to those crises and focuses extensively on Spain in the 1980s This important work investigates the historical emergence of socialism in Spain the transition to democracy the reemergence of the Spanish Socialist Workers Party the ideological crisis and the socialist experience in government There are chapters explaining the Socialists behavior in government and evaluating the past and prospects for the future A selected bibliography is included This exhaustive study will be of great importance to

scholars of socialism and social democracy political science and Spanish government and will be read with interest by those engaged in graduate programs in comparative European politics and political economy **Let's Twist Again** Karin

Taylor, 2006 This book explores the lives of young Bulgarians in the Cold War era when the Communist Party saw dance hits like The Twist as a menace to youth and society It investigates the Party's efforts to shape youth into socialist personalities and to create a socialist mass culture in the face of Westernization On the basis of biographical interviews the book takes a critical look at the popular view of youth enthusiasm for Western rock and lifestyles as resistance Young Bulgarians scarcely challenged the socialist order But at the same time the Party failed to impose its notion of conformity on the self-proclaimed Beatles generation

Feminist Time Against Nation Time Victoria Hesford, Lisa Diedrich, 2009-12-01 Feminist Time Against Nation Time offers a series of essays that explore the complex and oftentimes contradictory relationship between feminism and nationalism through a problematization of temporality Although there has been much recent discussion in the U S of the wars in Afghanistan and Iraq and the War on Terror as signaling a new period of permanent war feminist voices have not been at all prominent in this discussion This collection considers not only the ways in which public spaces for dissent are limited but also the ways in which the time for such dissent is cut short Feminist Time Against Nation Time combines philosophical examinations of Women's Time by Julia Kristeva and The Time of Thought by Elizabeth Grosz with essays offering case studies of particular events including Kelly Oliver's essay on the media coverage of the U S wars on terror and in Afghanistan and Iraq and Betty Joseph's on the anti-colonial uses of women's time in the creation of nineteenth-century Indian nationalism Feminist Time Against Nation Time juxtaposes feminist time against nation time in order to consider temporalities that are at once contrary to but also drawing toward each other Yet Hesford and Diedrich also argue that because as an untimely project feminism necessarily operates in a different temporality from that of the nation againstness is also used to provoke a rupture a momentary opening up of a disjuncture between the two that will allow us to explore the possibilities of creating a space and time for feminists to think against the current of the present moment

Remains of Socialism Maya Nadkarni, 2020-07-15 In Remains of Socialism Maya Nadkarni investigates the changing fates of the socialist past in postsocialist Hungary She introduces the concept of remains both physical objects and cultural remainders to analyze all that Hungarians sought to leave behind after the end of state socialism Spanning more than two decades of postsocialist transformation Remains of Socialism follows Hungary from the optimism of the early years of transition to its recent right-wing turn toward illiberal democracy Nadkarni analyzes remains that range from exiled statues of Lenin to the socialist era Bambi soda and from discredited official histories to the scandalous secrets of the communist regime's informers She deftly demonstrates that these remains were far more than simply the leftovers of an unwanted past Ultimately the struggles to define remains of socialism and settle their fates would represent attempts to determine the future and to mourn futures that never materialized **The Constantinos Karamanlis Institute for Democracy**

Yearbook 2009 Constantine Arvanitopoulos, Konstantina E. Botsiou, 2009-06-24 Constantine Arvanitopoulos and Konstantina E Botsiou Europe at a Crossroads European unification has rested on a dual premise One part was the effort of the European nations to consolidate peace by overcoming the nationalism which had twice drenched the continent in blood in the 20th century War among West European states became unthinkable in the post war era The second part was the creation of a single European economy following the tremendous task of post war reconstruction and recovery Over the years the achievement of economic stability was matched by initiatives that aimed to render Western Europe competitive on a global scale The creation of the European Union EU in the 1990s through the Treaties of Maastricht 1992 and Amsterdam 1997 and later Nice 2001 which successively revised the founding Treaties of Rome 1957 was largely a response to the challenge of globalisation Integration rejuvenated the nation state thus creating the hybrid of the European welfare state a mix of state imposed stability and private initiative Like its 1 Sforza C 1936 Europe and the Europeans Community Report A study in historical psychology and international politics London George G Harrap and Company 2 Milward A S 1984 The reconstruction of Western Europe 1945-1951 London Routledge Hogan M J 1987 The Marshall plan America Britain and the reconstruction of Western Europe 1947-1954 Cambridge Cambridge University Press 3 Dyson K Featherstone K 1999 The Portable Kristeva Julia Kristeva, 2002-05-29 As a linguist Julia Kristeva has pioneered a revolutionary theory of the sign in its relation to social and political emancipation as a practicing psychoanalyst she has produced work on the nature of the human subject and sexuality and on the new maladies of today's neurotic The Portable Kristeva is the only fully comprehensive compilation of Kristeva's key writings The second edition includes added material from Kristeva's most important works of the past five years including The Sense and Non Sense of Revolt Intimate Revolt and Hannah Arendt Editor Kelly Oliver has also added new material to the introduction summarizing Kristeva's latest intellectual endeavors and updating the bibliography

Eastern European Youth Cultures in a Global Context Matthias Schwartz, Heike Winkel, 2016-04-29 The demise of state Socialisms caused radical social cultural and economic changes in Eastern Europe Since then young people have been confronted with fundamental disruptions and transformations to their daily environment while an unsettling globalized world substantially reshapes local belongings and conventional values In times of multiple instabilities and uncertainties this volume argues young people prefer to try to adjust to given circumstances than to adopt the behaviour of potential rebellious adolescent role models dissident counter cultures or artistic breakings of taboo Eastern European Youth Cultures in a Global Context takes this situation as a starting point for an examination of generational change cultural belongings political activism and everyday practices of young people in different Eastern European countries from an interdisciplinary perspective It argues that the conditions of global change not only call for a differentiated evaluation of youth cultures but also for a revision of our understanding of youth itself in Eastern Europe and beyond **Western Europe in 1977** United States. Congress. House. Committee on International Relations. Subcommittee on Europe and the Middle East, 1977

Transnational Moments of Change Padraic Kenney, Gerd Rainer-Horn, 2004-01-29 Transnational Moments of Change offers a broad introduction to the methodology and practice of transnational history To demonstrate the value of this approach the work focuses on Europe since World War II a period whose study particularly benefits from a transnational vantage point Twelve distinguished contributors from around the globe offer a range of transnational approaches to three continent wide moments of change The work begins with a look at the close of World War Two when liberation from Nazi occupation offered the opportunity for social and political experiment Next essays explore the late 1960s as generational change and political dissatisfaction rocked urban centers from Paris to Prague Finally the book turns to the fall of communism a moment of revolutionary change that not only spread rapidly from country to country but even affected and interacted with protest movements in Western Europe and elsewhere Together the essays provide both a new perspective on postwar Europe and a range of models for the historian interested in using the transnational approach

Karl Polanyi In Dialogue Brie Michael Brie, 2020-06-21 The contemporary Left fights its political battles on various fronts protesting the crippling structural inequalities that sustain neoliberal economic policy developing sustainable community based alternatives to the consumerism and short termism that exacerbate the environmental crisis and advocating for the cultural recognition emancipation and celebration of the diversity and pluralism of human identity But despite this versatility the Left appears to be in worldwide retreat whilst an aggressive new Alt Right is taking to the internet and the streets regurgitating a regressive and patriarchal vision of society that has already won startling political victories in the US and Europe Amidst the vertiginous tension of such a crisis Michael Brie argues for an urgent theoretical and practical reorganisation of the Left Developing the work of philosopher and social theorist Karl Polanyi Brie advocates an alliance of socialist liberals and libertarian commonists that unites contemporary campaigns for recognition difference and human dignity with more traditional struggles for social welfare and economic democracy Starting with Nancy Fraser s critical reappraisal of Polanyi in her article e A Triple Movement Parsing the Politics of Crisis after Polanyiie included Brie powerfully reinterprets Polanyi s thought for present times developing concrete proposals for a Polanyian political response to neoliberalism an ascendent authoritarian right and the ongoing threat of global ecological disaster Also included are two articles by Polanyi translated into English for the first time and Kari Polanyi Levitt s lecture at the Rosa Luxemburg Foundation e From the Great Transformation to the Great Financialisatione

The Global Society and Its Enemies Ludger Kühnhardt, 2017-05-05 This book discusses contemporary constellations of international politics and global transformation It offers guidance on how to conceptualize the complexity of current global changes and practical policy advice in order to promote an open global society In the light of today s challenges the author re interprets the main argument of the philosopher Karl Popper in *The Open Society and Its Enemies* Based on this framework and new empirical evidence the book discusses the thesis of an ongoing Third World War triggered by fundamental deficits in nation building occurring primarily within states and not between them and accelerated by

asymmetric forms of warfare and Islamist totalitarianism The book also explores various threats to the global order such as the paradox of borders as barriers and bridges the global effects of the youth bubble in many developing countries and the misuse of religious interpretation for the use of political violence Lastly the author identifies advocates and supporters of a liberal multilateral and open order and argues for a reinvention of the Western world to contribute to a revival of a liberal global order based on mutual respect and joint leadership

Post-Liberalism John Gray, 2014-02-04 John Gray has become one of our liveliest and most influential political philosophers This current volume is a sequel to his *Liberalism's Essays in Political Philosophy* The earlier book ended on a sceptical note both in respect of what a post liberal political philosophy might look like and with respect to the claims of political philosophy itself John Gray's new book gives post liberal theory a more definite content It does so by considering particular thinkers in the history of political thought by criticizing the conventional wisdom liberal and socialist of the Western academic class and most directly by specifying what remains of value in liberalism The upshot of this line of thought is that we need not regret the failure of foundationalist liberalism since we have all we need in the historic inheritance of the institutions of civil society It is to the practice of liberty that these institutions encompass rather than to empty liberal theory that we should repair

A London Bibliography of the Social Sciences, 1931 Vols 1-4 include material to June 1 1929

History by Generations Hartmut Berghoff, Bernd Weisbrod, Uffa Jensen, Christina Lubinski, 2013-08-05 Die Beitr ge des vorliegenden Bandes gehen aus einer gemeinsamen Tagung des Graduiertenkollegs Generationengeschichte der Georg August Universit t G ttingen und des Deutschen Historischen Instituts in Washington hervor Verschiedene Generationenkonzepte standen sich hier gegen ber die europ ische Idee von Jugendgenerationen und politischen Generationen und die eher pragmatische amerikanische Lesart von den demographischen Generationen oder den Konsumgenerationen Immer so scheint es wird die generationelle Logik berlagert von nationalen Vorstellungen der Dazugeh rigkeit Sehr deutlich arbeiten die Beitr ge aus Europa und den USA heraus dass die historische Zeit wohl in Generationen gelesen wird doch wird Geschichte nicht von Generationen gemacht

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Socialism In Western Europe The Experience Of A Generation full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Socialism In Western Europe The Experience Of A Generation eBooks, including some popular titles.

FAQs About Socialism In Western Europe The Experience Of A Generation Books

What is a Socialism In Western Europe The Experience Of A Generation PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Socialism In Western Europe The Experience Of A Generation PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Socialism In Western Europe The Experience Of A Generation PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Socialism In Western Europe The Experience Of A Generation PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Socialism In Western Europe The Experience Of A Generation PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to

compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
