Lamb, Irvin Long Child, 1982 The second edition of this highly successful introductory text confronts broad psychological issues basic to the field while dealing in detail with specific issues of current interest such as day care and early childhood intervention programs The book is divided into two parts the first offers an overview of theory and research in fundamental areas including mechanisms of influence gender identity individuation and aggression the second part contains a selection of recent publications covering many of the same subjects in greater depth The two parts are carefully balanced and each enlightens and informs the other *Handbook of Child Psychology: Socialization, personality, and social development*, 1983 [Social Structure and Personality Development](#) Klaus Hurrelmann, 1988-08-26 Klaus Hurrelmann analyses the concepts of human development underlying the different sociological and psychological theories of personality development *Social Adjustment and Personality Development in Children* Merrill Flagg Roff, Saul B. Sells, Mary M. Golden, 1972-01-01 **Socialization and personality development** Edward Zigler, Irvin Long Child, 1973 [Life-Span Developmental Psychology](#) Paul B. in socialization Factors that contribute to children s sex role acquisition include 1 the role of the family in gender identity formation 2 peer pressure to conform to rules regarding sex appropriate behavior and attitudes 3 the impact of television and 4 the significant role that schools play in emphasizing reinforcing and expanding differences that children have when they enter school It is concluded that sex role socialization provides a viable way of understanding the process of personality development because it involves the same principles invoked in other areas of socialization *Social and Personality Development*
