Society Of Space A Daring Look Into What:

Societies in Space Gary Westfahl, 2025-01-21 Science fiction films and television programs about space travel have undergone a significant transformation since their inception In contrast to the early depictions of small spaceship crews on exploratory missions recent film and television portrayals depict much larger societies in space as well as the obstacles that arise with them This collection of essays examines many aspects of making space travel films from the process of screenwriting to the impact of Greek myth on modern film with illuminating commentary on contemporary problems including class distinction racism and sexism Contributors to this volume including several extensively published scholars and science fiction writers analyze a wide variety of relevant science fiction films and television programs ranging from Star Trek Silent Running the Alien films and Japanese anime to more recent works like Battlestar Galactica Avatar Elysium The Martian Passengers and Ad Astra

Civil Society John Horacio Keane, 2006 Due to the rapid growth and the violent destruction of the institutions of civil society Berlin re emerged with renewed vitality This volume presents a sample of essays on contemporary civil societies their structural problems and their uncertain future written by scholars with a close long standing relationship with the city
