Story Of Me:

A simple story me, myself and her Anne Lamunière, Maria Bonacci Potsios Antonietta, 2022-10-31 Mia is a young woman who leaves her small hometown in Umbria Italy to start a new life in New York Day by day through backbreaking work shifts and endless passion she carves her space within the art world of the Big Apple Among the sparkling mundanity the drugs the pleasures of food and the hypocrisy of her new world Mia manages to nourish genuine friendships find true love and build a family But not all dreams are meant to last forever and Mia will soon be faced with the most unbearable pain a mother can experience and will have to appeal to her inner strength to put her life back on track The narrative voice of this Simple Story is Angela Mia's daughter In a humorous innocent but real tone she will take you into her and her mother's life and touch the most sensitive cords of your soul Anne Lamunière grew up in Geneva but soon moved to Italy then to New York as fast as she could Set design being her first passion she worked in the restaurant business for years Having now settled back in her home country for the past fifteen years her career as a specialist in Post War and Contemporary Art has taught her that everything is possible if you climb on the right trains and that anyone can have multiple new exciting beginnings in life After a Master's degree in Political Science and a first job at McDonald's Maria Antonietta Bonacci discovered the world of the media and developed a passion for storytelling An international career in Marketing and Communication followed in the field of high jewelry and finance with the certainty that one day she'd write a short story that would hopefully mean something to someone out there Her motto dreams come true if you believe in them and if you have precious friends to help you make them happen Tell Me a Story Dante Fabiello, 2010-04 Once upon a time there was a little girl called Alexandra who asked her daddy Daddy please tell me a stooweeee Well this is my story on how I created thousands of children's stories These stories come from a world where animals of all kinds all talk and learn like children about life Around the age of three my daughter got tired of me reading little kiddy stories and asked me Daddy please tell me a stooweeee So every night I would make up a new short story One day when she was 7 years old I decided to tape these stories so she could hear them over and over Well that went on for 7 more years with over 110 hours and over 3 000 stories There are so many stories that I will have to write many more volumes So here we are the first book is published and now kids all over the world can enjoy them as my daughter did for many years The time you spend with your child is most rewarding Never get tired of loving kissing and hugging them no matter how old they get Please view the book website by Clicking here Please view sample stories from the book by Clicking here **The Story I Tell Myself** Peter Ash, 2018-04-23 You know who you are right Of course you do you're you But what if who you think you are is actually holding you back closing off exciting opportunities that are right in front of you and preventing you from achieving your best potential This book explores the concept of self narrative or the stories that we tell ourselves about who we are and our place in the world In this book I explore how understanding our own self narratives and challenging them can enable you to change how you think about yourself and open up those opportunities that

you could be missing Using examples from my own journey I provide a process that you can follow to increase your own self awareness understand what your self narrative says and how it impacts your daily life and gives a template on how to make changes to your narrative We are powerful storytellers telling ourselves our most impactful story of all By understanding and changing your story you can make real positive change in your life Use your own story to learn grow and achieve what you want
