Story Of The Eagles:

History of the Eagles Eagles (Musical group),2013 To the Limit Marc Eliot,2024-08-06 The definitive unauthorized biography of The Eagles by the New York Times bestselling biographer To the Limit is the unauthorized account of the group from its earliest years through the breakup solo careers and reunions Blending the country and folk music of the late sixties with the melodic seductiveness of Detroit style roots rock the Eagles brought a new sound to a stagnant music scene Under the brilliant management of David Geffen the Eagles projected a public image of unshakable camaraderie embodied by the cerebral brooding Don Henley and the intuitive self destructive Glenn Frey bolstered by the gorgeous harmonies of their songs Behind the scenes however there was another story At turns revealing inspiring funny and shocking To the Limit is the chronicle of a time a place and a group that succeeded in changing forever the world of popular music **Focus On: 100**
