The Story of the Three Wise Men** Garnet Thomas Henry Cook, 1955 **The Story of the Three Wise Kings** Tomie dePaola, 2020-09-15 Tomie dePaola's beloved 1983 classic returns to print just in time for the holiday season Three wise men of the East having seen a new star symbolizing the birth of a great king follow the star to Bethlehem where they present gifts to the newborn Jesus This beautiful rendition of the well known tale is sure to delight young readers Story of the Three Wise Kings Tomie DePaola, 1988 **37 Catholic Classroom Crafts--in 20 Minutes Or Less!** Nicole T. Woodard, 2009 Catechists and teachers will love these crafts In particular they will love how quickly and inexpensively they can be done They are the perfect complement to lessons on the Bible the Church year nature the gospels and Jesus The detailed directions and illustrations make each craft project simple and easy for both adult leaders and children Best of all all of these crafts have a place in whatever textbook series a catechist or teacher might be using and are perfect for children in grades one through six Also included is a companion CD that makes all components including worksheets easy to print and distribute **Mystery of the Magi** Dwight Longenecker, 2017-11-06 The perfect Christmas gift for anyone interested in the historical background behind the birth of Jesus of Nazareth Robert J Hutchinson author of *The Politically Incorrect Guide to the Bible* *The Dawn of Christianity* and *Searching for Jesus* Utterly refreshing and encouraging Eric Metaxas New York Times bestselling author of *Bonhoeffer* Pastor Martyr Prophet Spy and Martin Luther The best book I know about the Magi Sir Colin John Humphreys Ph D author of *The Mystery of the Last Supper* Modern biblical scholars tend to dismiss the Christmas story of the wise men from the East as pious legend Matthew's gospel offers few details but imaginative Christians filled out the story early on giving us the three kings guided by a magical star who join the adoring shepherds in every Christmas carol For many scholars then there is no reason to take the gospel story seriously But are they right Are the wise men no more than a poetic fancy In an astonishing feat of detective work Dwight Longenecker makes a powerful case that the visit of the Magi to Bethlehem really happened Piecing together the evidence from biblical studies history archeology and astronomy he goes further uncovering where they came from why they came and what might have happened to them after eluding the murderous King Herod In the process he provides a new and fascinating view of the time and place in which Jesus Christ chose to enter the world The evidence is clear and compelling The mysterious Magi from the East were in all likelihood astrologers and counselors from the court of the Nabatean king at Petra where the Hebrew messianic prophecies were well known The star that inspired their journey was a particular planetary alignment confirmed by computer models that in the astrological lore of the time portended the birth of a Jewish king The visitors whose arrival troubled Herod and all Jerusalem with him may not have been the turbaned oriental kings of the Christmas carol but they were real and by demonstrating that

the wise men were no fairy tale Mystery of the Magi demands a new level of respect for the historical claims of the gospel
