The story that broke the Watergate burglary news

Story Of Watergate

Samuel Dash

Story Of Watergate:

The Secret Man Bob Woodward, 2006-06-02 Woodward tells the story of his long complex relationship with W Mark Felt the enigmatic former 2 man in the FBI who helped end the presidency of Richard Nixon *Watergate* Garrett M. Graff, 2022-02-15 Finalist for the Pulitzer Prize in History NEW YORK TIMES BESTSELLER Do we need still another Watergate book The answer turns out to be yes this one The Washington Post Dazzling The New York Times Book Review From the New York Times bestselling author of *The Only Plane in the Sky* comes the first definitive narrative history of Watergate the best and fullest account of the crisis one unlikely to be surpassed anytime soon Kirkus Reviews starred review exploring the full scope of the scandal through the politicians investigators journalists and informants who made it the most influential political event of the modern era In the early hours of June 17 1972 a security guard named Frank Wills enters six words into the log book of the Watergate office complex that will change the course of history 1 47 AM Found tape on doors call police The subsequent arrests of five men seeking to bug and burgle the Democratic National Committee offices three of them Cuban exiles two of them former intelligence operatives quickly unravels a web of scandal that ultimately ends a presidency and forever alters views of moral authority and leadership Watergate as the event is called becomes a shorthand for corruption deceit and unanswered questions Now award winning journalist and bestselling author Garrett M Graff explores the full scope of this unprecedented moment from start to finish in the first comprehensive single volume account in decades The story begins in 1971 with the publication of thousands of military and government documents known as the Pentagon Papers which reveal dishonesty about the decades long American presence in Vietnam and spark public outrage Furious that the leak might expose his administration's own duplicity during a crucial reelection season President Richard M Nixon gathers his closest advisors and gives them implicit instructions Win by any means necessary Within a few months an unsteady line of political dominoes are positioned from the creation of a series of covert operations code named GEMSTONE to campaign trail dirty tricks possible hostage situations and questionable fundraising efforts much of it caught on the White House's own taping system One by one they fall until the thwarted June burglary attracts the attention of intrepid journalists congressional investigators and embattled intelligence officers one of whom will spend decades concealing his identity behind the alias Deep Throat As each faction slowly begins to uncover the truth a conspiracy deeper and more corrupt than anyone thought possible emerges and the nation is thrown into a state of crisis as its government and its leader unravels Using newly public documents transcripts and revelations Graff recounts every twist with remarkable detail and page turning drama bringing readers into the backrooms of Washington chaotic daily newsrooms crowded Senate hearings and even the Oval Office itself during one of the darkest chapters in American history Grippingly told and meticulously researched Watergate is the defining account of the moment that has haunted our nation's past and still holds the power to shape its present and future

Defining Documents in American History: Watergate Michael Shally-Jensen, 2024-08-30 The term

Watergate has become synonymous with political corruption intrigue and scandal but what were the details of the events from 1972-1974 that led to the scandal becoming so well known and climactic that it led to the resignation of President Richard Nixon and has reverberated throughout the years ever since? From the events leading up to the wiretapping of the Democratic Party's headquarters in 1972 to the investigative reporting of Bob Woodward and Carl Bernstein and others that exposed the scandal to the general public to Nixon's eventual resignation after the smoking gun audiotape revealed the depth of his involvement, the Watergate scandal dominated the American consciousness and added to a growing sense of public mistrust during the 1970s. Details of the scandal were further entrenched with the release of Woodward and Bernstein's non-fiction book *All the President's Men* in 1974 and subsequent movie adaptation in 1976 as well as Nixon's own infamous interview with British journalist David Frost in 1977. It set the benchmark for scandals to come with the "gate" suffix becoming part of popular culture in relation to naming other corrupt, generally political events. This volume explores the development of the scandal, its exposure and aftermath, and lingering effect on American politics. Documents examined include articles, committee transcripts, legislative debates, speeches, historical accounts, court cases, and more.

The Story of Watergate
Jim Hargrove, 1988. Putting the biggest political scandal in U.S. history into focus for the young reader. *Watergate: The Hidden History*. Lamar Waldron, 2012-06-05. While Richard Nixon's culpability for Watergate has long been established, most recently by PBS in 2003, what's truly remarkable is that after almost forty years, conventional accounts of the scandal still don't address Nixon's motive. Why was President Nixon willing to risk his reelection with so many repeated burglaries at the Watergate and other Washington offices in just a few weeks? What motivated Nixon to jeopardize his presidency by ordering the wide range of criminal operations that resulted in Watergate? What was Nixon so desperate to get at the Watergate and how does it explain the deeper context surrounding his crimes? For the first time, the groundbreaking investigative research in *Watergate: The Hidden History* provides documented answers to all of those questions. It adds crucial missing pieces to the Watergate story: information that President Nixon wanted but couldn't get and that wasn't available to the Senate Watergate Committee or to Woodward and Bernstein. This new information not only reveals remarkable insights into Nixon's motivation for Watergate but also answers the two most important remaining questions: What were the Watergate burglars after, and why was Nixon willing to risk his Presidency to get it? *Watergate: The Hidden History* reexamines the historical record, including new material only available in recent years. This includes thousands of recently declassified CIA and FBI files, newly released Nixon tapes, and exclusive interviews with those involved in the events surrounding Watergate, ranging from former Nixon officials to key aides for John and Robert Kennedy. This book also builds on decades of investigations by noted journalists and historians, as well as long-overlooked investigative articles from publications like *Time* magazine, the *Los Angeles Times*, and the *New York Times*.

Watergate. Stanley I. Kutler, 2010-01-15. The second edition of *Watergate: A Brief History with Documents* presents a collection of relevant historic documents from Nixon's acceptance speech at the 1968

Republican National Convention to his 1974 pardon Includes transcripts of recently released Watergate tapes that reveal Nixon's thoughts and reactions to events as they unfolded and that deal with the identity of the anonymous source known as Deep Throat Uses the crisis to explain how American politics and law work and provides an indication of the way the country may handle future crises Provides brief summaries of what happened to various Watergate participants Covers the entire span of time from Nixon's 1968 acceptance speech at the RNC until his pardon in 1974 *The Watergate Scandal in United States History* David K. Fremon, 2014-09 In 1972 five men were caught breaking into the Democratic National Headquarters located in Washington D C What soon became clear was that the men who broke into the Watergate building were not ordinary burglars They worked for the committee to re-elect President Richard Nixon and these illegal acts helped expose the fact that government officials were committing staggering crimes This book explores the people and events involved in the political scandal that eventually forced the resignation of President Richard M Nixon and changed the face of American politics This book is developed from THE WATERGATE SCANDAL IN AMERICAN HISTORY to allow republication of the original text into ebook paperback and trade editions **A Piece of Tape** James W. McCord, 1974 *Chief Counsel* Samuel Dash, 1976

The Original Watergate Stories The Washington Post, 2013-12-17 5 Held in Plot to Bug Democrats Offices The legendary articles that exposed a crime ended a presidency and changed a nation The Washington Post's seminal Watergate stories have been gathered together for the first time as an e book including a foreword by journalists Bob Woodward and Carl Bernstein assessing the impact of their stories decades later 5 Held in Plot to Bug Democrats Offices Here said the headline at the bottom of page one in the Washington Post on Sunday June 18 1972 The story reported that a team of burglars had been arrested inside the offices of the Democratic National Committee in the Watergate office complex in Washington On assignment Carl Bernstein and Bob Woodward uncovered a widespread political scandal and cover up at the highest levels of government culminating with the resignation of President Richard Nixon The Post won a Pulitzer Prize for its work which became the subject of two bestselling books and a renowned movie All the President's Men This eBook is a look back at the dramatic chain of events that would convulse Washington for two years and lead to the first resignation of a U S president forever changing American politics

Right here, we have countless ebook **Story Of Watergate** and collections to check out. We additionally have enough money variant types and along with type of the books to browse.
