Story Keepers Journey Into Native American Spirituality:

Story Keepers John James Stewart, 2003 Second in a series to the best selling *Dream Catchers* containing actual stories and legends as told and passed down from Native Americans Captures the real intended messages of these legends Author John James Stewart actually lived among the Indians becoming a part of their culture As a respected and trusted companion of Native American people he accurately conveys their traditions into written word *Open Your Heart to Nature and Beyond* Dr. Linda N. Cameron, 2021-09-09 *Open Your Heart to Nature and Beyond* maintains there is one problem separation from the Divine and one solution applying some form of forgiveness It details the holding relationships that actually separate us from the Divine and how to use the Law of Forgiveness to let them go and open our hearts to God's presence Like a computer delete key the activity of forgiveness allows us to let go physically emotionally and mentally until we join Universal Being This Divine encounter is divided into 7 distinct stages with descriptions based on experiences of the author as well as poets and individuals from other major religions This book also suggests that a religious experience is simply having an experience of the Zero Energy Field as defined in quantum physics The Zero Energy Field is defined as the activity of subatomic particles such as photons electrons and other quantum particles in space at temperatures of absolute zero Research indicates that humans can affect this field with pray which is the mental activity of calling these energy particles to organize and outpicture as manifestations in nature We also have the ability to apply the Law of Forgiveness that Jesus introduced and release the electrons neutrons and protons forming something in the world and in our minds and thereby causing them to disorganize them and return to the Zero Energy Field The human activity of forgiving or letting things thoughts and emotions go shows that we have the mental ability to apply the Law of Entropy and disorganized manifested things and release them back into subatomic particles in the Zero Energy Field **Keepers of the Earth** Michael J. Caduto, Joseph Bruchac, 1997 The flagship book in the *Keepers of the Earth* series is an environmental classic for teaching children to respect the Earth *Native Insights: Secrets of Strength and Spirituality from the Sierra Madre* Pasquale De Marco, 2025-05-01 *Native Insights Secrets of Strength and Spirituality from the Sierra Madre* is an immersive journey into the heart of Native American culture a captivating exploration of the wisdom resilience and beauty that emanate from this extraordinary people In this comprehensive guide we delve into the rich tapestry of Native American traditions beliefs and practices uncovering the secrets of their enduring strength and spirituality We venture into the rugged landscapes of the Sierra Madre where the Native Americans have thrived for generations adapting to the harsh terrain and finding sustenance in the land's bounty We sit at the feet of elders whose words carry the weight of history and tradition and glean from their teachings about respect harmony and the interconnectedness of all living things We explore the intricate designs and symbolism woven into Native American crafts marveling at the skill and artistry of their handmade artifacts We uncover the secrets of their healing practices rooted in ancient knowledge and a deep understanding of the natural world and discover
