Kathleen Weidner Zoehfeld

Story Of A Dolphin:

Story of a Dolphin Katherine Orr,1995-01-01 Laura's father succeeds in befriending a dolphin who seems to like people but other people on the island are not so considerate and must be educated in how to respect the dolphin Story of a Dolphin Katherine Orr,2012-01-01 Laura and her father who live on an island in the Caribbean discover a dolphin who loves to be with people They spend a lot of time playing in the ocean with the dolphin and other people start to play with the dolphin too Sometimes the dolphin does things the people don't understand and they think the dolphin might be dangerous This story tells how friendships between humans and animals can develop Readers can learn how conflicts can be resolved by patient understanding **Story of a Dolphin** ,1995-03-01 In this heartwarming story Laura and her father live on an island in the Caribbean and develop a friendship with a dolphin The story is based on a true account in which love and insight prevailed over misunderstandings and conflicts *Dawn the Dolphin* ,2017 Dolphin's First Day Kathleen Weidner Zoehfeld,1994 Describes a baby dolphin's experiences during his first day in the ocean **One Dolphin's Story** Stanley M. Minasian,2011-05-01 Dolphins have unknowingly become symbols of concern for the environment and their joyous lifestyle centering on friendships within their complex social structure is something to be admired and emulated Yet for all the admiration we have for dolphins and the inspiration they instill in us little is known about how they live their lives and that is the basis and reason for this book One Dolphin's Story is the first book to take us deep into the life of one dolphin species one that was little known until it was discovered that purse seine tuna fishermen used spinner dolphins as well as common and spotted dolphins to locate yellowfin tuna in the eastern tropical Pacific Ocean Setting their nets around the dolphin herd meant catching the tuna as well and over a thirty year period over eight million dolphins were killed in the process This became one of the highest profile environmental issues of our time and in the process of all but stopping this fishing process we learned a great deal about the spinner dolphin Now much of what we have learned is shared with readers in One Dolphin's Story Hope for Winter: The True Story of a Remarkable Dolphin Friendship David Yates,Craig Hatkoff,2014-08-26 A story of a baby dolphin named Hope is rescued against all odds Exactly 5 years and 1 day after Winter the tailless dolphin who inspired a major motion picture featuring Morgan Freeman Ashley Judd and Harry Conick Jr was rescued something pretty amazing happened Just feet from where Winter was found appeared another injured dolphin orphaned from her mother and struggling to survive The Clearwater Marine team quickly went to work attempting to nurse this new dolphin back to health After a tough fight fought by the little dolphin and by the Clearwater team the dolphin grew strong and healthy She now lives with Winter and crowds flock to the aquarium to see them play Her tale is one of courage and triumph She was named Hope and this book tells her story *One Dolphin's Story* Stanley M Minasian,2020-06-24 Of the millions of creatures that share the earth with us few are more beloved than the dolphins Throughout history dolphins have played a significant role in shaping our philosophy and helping us to better understand and appreciate the natural world Dolphins

have unknowingly become symbols of concern for the environment and their joyous lifestyle centered on friendships within their complex social structure is something to be admired and emulated Yet for all the admiration we have for dolphins and the inspiration they instill in us little is known about how they live their lives and that is the basis and reason for this book Just like people individual dolphins possess their own distinct personalities Some are bold some are shy Some are resolute while others are more care free Yet they all have one thing in common they are highly intelligent social animals with a well defined sense of self awareness The more we learn about dolphins the more we realize that there is most assuredly an alien form of sophisticated intelligence right here on planet earth *The Story of a Brave Dolphin* Mohammed Ayya,2024-05-31
