The Story of a Non-marrying Man, and Other Stories Doris Lessing, 1972
Lessing, 1977 The Story of a Non-Marrying Man and Other Stories , 1996 **The Story of a Non-Marrying Man** Doris Lessing, 1980 , **Encyclopedia of the British Short Story** Andrew Maunday, 2015-04-22
Provides a comprehensive reference to short fiction from Great Britain Ireland and the British Commonwealth featuring some of the most popular writers and works A Reader's Companion to the Short Story in English Erin Fallon, R.C. Feddersen, James Kurtzleben, Maurice A. Lee, Susan Rochette-Crawley, 2013-10-31 Although the short story has existed in various forms for centuries it has particularly flourished during the last hundred years Reader's Companion to the Short Story in English includes alphabetically arranged entries for 50 English language short story writers from around the world Most of these writers have been active since 1960 and they reflect a wide range of experiences and perspectives in their works Each entry is written by an expert contributor and includes biography a review of existing criticism a lengthier analysis of specific works and a selected bibliography of primary and secondary sources The volume begins with a detailed introduction to the short story genre and concludes with an annotated bibliography of major works on short story theory
The Desperado Age , **In Pursuit of Doris Lessing** Claire Sprague, 1990-06-14 The phenomenon of Doris Lessing's global reputation and readership is addressed for the first time in In Pursuit of Doris Lessing through a series of essays that also provide a provocative overview of Lessing's long career from *The Grass Is Singing* the first of a series of African and woman centered politically radical works to her latest galactic and politically conservative works Nine different Lessings emerge from these essays forcing us to question received propositions about the universality of literature and the stability of the text and uncovering and recovering in the process the pungent variable controversial Lessing who has been and remains as international and transcultural as she is African and English *Doris Lessing* Alice Ridout, Susan Watkins, 2011-10-20 Despite winning the Nobel Prize for Literature Doris Lessing has received relatively little critical attention One of the reasons for this is that Lessing has spent much of her lifetime and her long published writing career crossing both national and ideological borders This essay collection reflects and explores the incredible variety of Lessing's border crossings and positions her writing in its various social and cultural contexts Lessing crosses literal national borders in her life and work but more controversial have been her crossings of genre borders into sci fi and space fiction and her crossing of ideological borders such as moving into and out of the Communist Party and from a colonial into a post colonial world This timely collection also considers a number of the most interesting recent critical and theoretical approaches to Lessing's writing including work on maternity and abjection in relation to *The Fifth Child* and *The Grass Is Singing* eco criticism in Lessing's African novels and postcolonial re writings of landscape in her African Stories
