Story Of The Burning Of Washington:

The Story of the Burning of Washington R. Conrad Stein,1985-04-01 Describes the events of the British invasion and burning of Washington D C in 1814 **Burning of Washington** Anthony S. Pitch,2000-03-09 With all the immediacy of an eyewitness account Anthony Pitch tells the dramatic story of the British invasion of Washington in the summer of 1814 an episode many call a defining moment in the coming of age of the United States The British torched the Capitol the White House and many other public buildings setting off an inferno that illuminated the countryside for miles and sending President James Madison scurrying out of town while his wife Dolley rescued a life sized portrait of George Washington from the flames The author s gripping narrative hailed by a White House curator a Senate historian and the chairman of the National Geographic Society among others is filled with vivid details of the attack Not confining his story to Washington Pitch also describes the brave resourceful defense of nearby Fort McHenry and tells how Francis Scott Key a British hostage on a ship near the Baltimore harbor during the fort s bombardment wrote a poem that became the national anthem The Story-life of Washington Wayne Whipple,1911 Potomac Marble: History of the Search for the Ideal Stone Paul Kreingold,2023 Learn the history behind the re building of the Capital City after the War of 1812 The destruction of Washington in 1814 by the invading British challenged President James Monroe architect Benjamin Latrobe with the task of rebuilding the destroyed edifices of the city s public buildings As symbols of the aspirations of the Republic they had to be more than functional they had to be beautiful The building material they discovered and used to beautify the new Capitol was Potomac marble which exists in abundance on both sides of the Potomac River from Leesburg in Loudoun County Virginia to Montgomery and Frederick Counties in Maryland Local historian Paul Kreingold details Latrobe and Monroe s search for the ideal stone and their fight to use it to rebuild the chambers of the House and Senate 1812 Jon Latimer,2009-07-01 Listen to a short interview with Jon Latimer Host Chris Gondek Producer Heron the Battle of Lake Erie the burning of Washington the death of Tecumseh Andrew Jackson s victory at New Orleans but their war of conquest was ultimately a failure Even the issues of neutrality and impressment that had triggered the war were not resolved in the peace treaty For Britain the war was subsumed under a long conflict to stop Napoleon and to preserve the empire The one lasting result of the war was in Canada where the British victory eliminated the threat of American conquest and set Canadians on the road toward confederation Latimer describes events not merely through the eyes of generals admirals and politicians but through those of the soldiers sailors and ordinary people who were directly affected Drawing on personal letters diaries and memoirs he crafts an intimate narrative that marches the reader into the heat of battle Washington Is Burning Marty Rhodes Figley,2007-01-01 Fifteen year old Paul Jennings looked out the window of the President s House America was at war with Britain and British soldiers were marching toward Washington Terrified people were fleeing the city But Paul was not going to join them yet He was a slave who belonged to President Madison and his wife Dolley Dolley did not want to leave until her husband returned from

the battlefield Paul stayed by her side helping her pack up official papers and belongings Finally they could wait no longer But there was one more treasure they had to save Were they too late A History of the United States Henry Eldridge Bourne, Elbert Jay Benton, 1913 The Routledge Handbook of American Military and Diplomatic History Christos G.
