

Story Of Ulysses S Grant

Tamara Smith

Story Of Ulysses S Grant:

Personal Memoirs Ulysses S. Grant, 1999-01-01 The foremost military memoir in the English language written in a clear supple style a masterpiece Ron Chernow in Grant Faced with cancer and financial ruin Ulysses S Grant wrote his personal memoirs to secure his family's future and won himself a unique place in American letters Acclaimed by writers as diverse as Mark Twain and Gertrude Stein Grant's memoirs demonstrate the intelligence intense determination and laconic modesty that made him the Union's foremost commander Personal Memoirs is devoted almost entirely to his life as a soldier tracing the trajectory of his extraordinary career from West Point cadet to general in chief of all Union armies With their directness and clarity his writings on war are without rival in American literature This edition of Grant's Personal Memoirs includes an indispensable introduction and explanatory notes by Pulitzer Prize winning historian James M McPherson The Story of Ulysses S. Grant Tamara Smith, 2005 Ages toddler and upwards In about two hundred words the biography of the greatest Civil War hero and president is told in a way toddlers can understand Here are the facts of Grant's life his school years his graduation from West Point his leadership of the Union Army and victory over the Confederacy his presidency and his greatest financial success the publication of his biography Even the youngest child will enjoy this short account of the life of Ulysses S Grant A Personal History of Ulysses S. Grant Albert Deane Richardson, 1868 Ulysses S. Grant - Personal Memoirs Ulysses S. Grant, 2024-07-02 Memoirs of U S Grant was one of the several works written by Ulysses S Grant in his lifetime and was published in 1885 This work is a powerful and revealing autobiography in which Grant narrates his journey from his early life through his military career and presidency offering an intimate and profound view of his life and the conditions faced during the American Civil War Over time various biographies have been written and continue to be written about this iconic military leader and president with increasing quality and scope However to understand the thoughts and character of a real person there is nothing better than hearing the story with all its circumstances mistakes and successes told by the one who lived it firsthand This is the purpose of Ulysses S Grant's autobiography to bring to the public the determined and visionary man who through his perseverance and leadership became one of the most influential figures in American history This work is part of the Voices of America collection which aims to highlight the life stories of important figures in American history told by themselves **Memoirs of U. S. Grant** Ulysses S. Grant, 2015-11-17 Man proposes and God disposes There are but few important events in the affairs of men brought about by their own choice Although frequently urged by friends to write my memoirs I had determined never to do so nor to write anything for publication At the age of nearly sixty two I received an injury from a fall which confined me closely to the house while it did not apparently affect my general health This made study a pleasant pastime Shortly after the rascality of a business partner developed itself by the announcement of a failure This was followed soon after by universal depression of all securities which seemed to threaten the extinction of a good part of the income still retained and for which I am indebted to the kindly act of friends At this juncture

the editor of the Century Magazine asked me to write a few articles for him I consented for the money it gave me for at that moment I was living upon borrowed money The work I found congenial and I determined to continue it The event is an important one for me for good or evil I hope for the former In preparing these volumes for the public I have entered upon the task with the sincere desire to avoid doing injustice to any one whether on the National or Confederate side other than the unavoidable injustice of not making mention often where special mention is due There must be many errors of omission in this work because the subject is too large to be treated of in two volumes in such way as to do justice to all the officers and men engaged There were thousands of instances during the rebellion of individual company regimental and brigade deeds of heroism which deserve special mention and are not here alluded to The troops engaged in them will have to look to the detailed reports of their individual commanders for the full history of those deeds The first volume as well as a portion of the second was written before I had reason to suppose I was in a critical condition of health Later I was reduced almost to the point of death and it became impossible for me to attend to anything for weeks I have however somewhat regained my strength and am able often to devote as many hours a day as a person should devote to such work I would have more hope of satisfying the expectation of the public if I could have allowed myself more time I have used my best efforts with the aid of my eldest son F D Grant assisted by his brothers to verify from the records every statement of fact given The comments are my own and show how I saw the matters treated of whether others saw them in the same light or not With these remarks I present these volumes to the public asking no favor but hoping they will meet the approval of the reader U S GRANT MOUNT MACGREGOR NEW YORK July 1 1885 *A Personal History of Ulysses S. Grant* Albert Deane Richardson, R. H. Fletcher, 1902

Personal Memoirs of U. S. Grant, Complete Ulysses Simpson Grant, 2023-10-01 Personal Memoirs of U S Grant is a compelling and comprehensive autobiography written by Ulysses S Grant the 18th President of the United States and a celebrated military leader In this remarkable memoir Grant recounts his personal experiences and provides a firsthand account of some of the most significant events in American history including the American Civil War Key Aspects of Personal Memoirs of U S Grant Military Career Grant takes readers on a captivating journey through his military career providing detailed insights into his strategies victories and challenges He offers a unique perspective on the American Civil War sharing his thoughts on key battles the political landscape and the motivations behind his decisions as a military leader Personal Reflections Grant s memoirs also delve into his personal life shedding light on his upbringing early career and the impact of the war on his personal and professional growth He candidly discusses his struggles and successes offering readers a glimpse into the man behind the military legend Historical Significance Beyond its personal nature Grant s memoirs hold immense historical significance They provide valuable firsthand accounts of critical moments in American history offering readers an opportunity to gain a deeper understanding of the challenges faced by the nation during the Civil War and the subsequent process of Reconstruction Personal Memoirs of U S Grant is widely regarded as one of the greatest military

memoirs ever written Grant's straightforward writing style and keen observations make it a captivating read for history enthusiasts military strategists and anyone interested in understanding the complexities of the American Civil War With its blend of personal narratives and historical insights this memoir offers a unique perspective on a transformative period in American history Ulysses S Grant Ulysses S Grant an American general and the 18th President of the United States played a pivotal role in the American Civil War Born in 1822 Grant's military strategies and leadership skills were instrumental in securing Union victory After the war he served as President from 1869 to 1877 advocating for civil rights and reconstruction in the aftermath of the war Grant's memoir *Personal Memoirs of Ulysses S Grant* stands as a testament to his military expertise and offers a firsthand account of one of the most transformative periods in American history *A Personal History of Ulysses S. Grant* Albert Deane Richardson, R. H. Fletcher, 1885 This book is a biography of United States Army general during the American Civil War and 18th President Ulysses S Grant *The Story of Ulysses S. Grant, for Young Readers* Alma Holman. [from old catalog] Burton, 1898 *American Ulysses* Ronald C. White, 2016-10-04 NEW YORK TIMES BESTSELLER From the author of *A Lincoln* a major new biography of one of America's greatest generals and most misunderstood presidents Winner of the William Henry Seward Award for Excellence in Civil War Biography Finalist for the Gilder Lehrman Military History Book Prize In his time Ulysses S Grant was routinely grouped with George Washington and Abraham Lincoln in the Trinity of Great American Leaders But the battlefield commander turned commander in chief fell out of favor in the twentieth century In *American Ulysses* Ronald C White argues that we need to once more revise our estimates of him in the twenty first Based on seven years of research with primary documents some of them never examined by previous Grant scholars this is destined to become the Grant biography of our time White a biographer exceptionally skilled at writing momentous history from the inside out shows Grant to be a generous curious introspective man and leader a willing delegator with a natural gift for managing the rampaging egos of his fellow officers His wife Julia Dent Grant long marginalized in the historic record emerges in her own right as a spirited and influential partner Grant was not only a brilliant general but also a passionate defender of equal rights in post Civil War America After winning election to the White House in 1868 he used the power of the federal government to battle the Ku Klux Klan He was the first president to state that the government's policy toward American Indians was immoral and the first ex president to embark on a world tour and he cemented his reputation for courage by racing against death to complete his *Personal Memoirs* Published by Mark Twain it is widely considered to be the greatest autobiography by an American leader but its place in Grant's life story has never been fully explored until now One of those rare books that successfully recast our impression of an iconic historical figure *American Ulysses* gives us a finely honed three dimensional portrait of Grant the man husband father leader writer that should set the standard by which all future biographies of him will be measured Praise for *American Ulysses* Ronald C White portrays a deeply introspective man of ideals a man of measured thought and careful action who found himself in the

crosshairs of American history at its most crucial moment USA Today White delineates Grant's virtues better than any author before By the end readers will see how fortunate the nation was that Grant went into the world to save the Union to lead it and on his deathbed to write one of the finest memoirs in all of American letters The New York Times Book Review Ronald White has restored Ulysses S Grant to his proper place in history with a biography whose breadth and tone suit the man perfectly Like Grant himself this book will have staying power The Wall Street Journal Magisterial Grant's esteem in the eyes of historians has increased significantly in the last generation American Ulysses is the newest heavyweight champion in this movement The Boston Globe Superb illuminating inspiring and deeply moving Chicago Tribune In this sympathetic rigorously sourced biography White conveys the essence of Grant the man and Grant the warrior Newsday
