Kruze, **The Healing Power Of Attunement Therapy: Stories And Practice** Jaclyn Stein Henderson, 2002-12-01 Glands, Sex, and Personality Herman Harold Rubin, 1952 A Writer's Reader: Short Stories From New Voices J. R. Kruze, R. L. Saunders, C. C. Brower, 2018-09-03 Writers don't often write about their own worlds but when they do expect them to be every bit as imaginative as their other fiction. We've found a common theme in these six short stories. Where these new authors not only explore their own thoughts, ideas, and angst through their own fiction but also take apart their own ideas about how writers write. Here you'll see writer's block, the solitary writer's romances, the revenge of stalking stories, being transported by another writer into one of their worlds, and even examining the idea of your pet cat being responsible for a writer's output or lack of it. Nothing is sacred to these authors as they turn their fiction microscope on themselves and their own profession.
