Story The Word Alive:

The Word was Made Flesh John C. Dwyer, 1989 What the New Testament has to say about God Christ the world and ourselves should be accessible to intelligent men and women who make their living and their lives outside the theological community in the narrow sense The World Was Made Flesh is a New Testament Theology for those who know that their faith calls them to be theologians in this non professional sense *Stories from Kindergarten and the Word of God* Tana Hoff, 2020-10-15 Kindergarten is an island of its own Have you ever wondered what s behind the classroom door Have you ever wondered why the noise level is pleasantly above the quieter levels of the Grade one to eight classrooms From the moment the students walk through the classroom door in the morning to the time they depart at the end of the day every single second is a teaching and learning moment for both teacher and learner As educators how do we humble ourselves in a way that glorifies God It s a lifelong learning journey The stories in this book were lived and experienced through the eyes of a kindergarten teacher who had the honour and privilege to teach students over a thirty year career *Music and the Mass* David Haas, 2013 **The Girl in the Window and Other True Tales** Lane DeGregory, 2023-04-05 Part anthology and part craft guide this collection of pieces from the Pulitzer Prize winning journalist offers something for readers and writers alike Lane DeGregory loves true stories intimate details and big ideas In her three decade career as a journalist she has published more than 3 000 stories and won the Pulitzer Prize for feature writing Her acclaimed work in the Tampa Bay Times often takes her to the edges of society where she paints empathetic portraits of real life characters like a 99 year old man who still works cleaning a seafood warehouse a young couple on a bus escaping winter and a child in the midst of adoption In The Girl in the Window and Other True Tales DeGregory not only offers up the first collection of her most unforgettable newspaper features she pulls back the curtain on how to write narrative nonfiction This book part anthology part craft guide provides a forensic reading of twenty four of DeGregory s singular stories illustrating her tips for writers alongside pieces that put those elements under the microscope Each of the pieces gathered here including the Pulitzer Prize winning title story is accompanied by notes on how she built the story plus tips on how nonfiction writers at all levels can do the same Featuring a foreword by Beth Macy author of the acclaimed Dopesick this book is sure to delight fans of DeGregory s writing as well as introduce her to readers and writers who have not yet discovered her inspiring body of work *Stories of Desire and Narratives of Faith* Victor Hunter, Lanny Hunter, 2019-04-02 Stories are the foundation for identity and the ground of understanding Stories of Desire and Narratives of Faith addresses humankind s search for identity and meaning through the stories of science and religion Both arose in the mists of history Both are awe inspiring Both beggar the imagination Both have always competed for authority Science gained preeminence in our postmodern pluralistic globalized world as evidenced based while religion for many reasons lost credibility Yet religion has not disappeared Stories is a concise engaging inspiring accessible account of the history of science geological and biological evolution perceived through increasingly sophisticated

technology and the history of nine text based world religions of antiquity Stories avoids insider language democratizing both God talk and scientific jargon without patronizing either There is no attempt to identify the best or truest religion and Stories disavows dogmatic religious triumphalism The authors do follow the tradition of giving an account of their Christian faith the only religious story with which they have experience They invite others to do the same paying attention to their own stories as they grapple with modern science do theology and engage faith Stories proposes how and in what manner these disciplines can meaningfully converse in today s world Everyday Stories Rachel Bowlby,2016 It has often been argued that literature that tries to copy reality can t succeed because the world is one thing and words another This is to forget that ordinary daily life is already full of words and images and stories we spend our days talking and writing about what s going on what happened and who might be feeling what about whom and why Everyday Stories makes us think again about the ordinary life we are in day afterday and day by day always the same and always slightly changing Entering into the single day drawing out the stories that surround us this book goes into everyday stories of many descriptions old and new both in literature and in that story laden place and time we call real life *A Selection of Short Stories* E W Farnsworth,2018-01-11 E W Farnsworth s brainy and visionary short stories in this volume are meant to be read individually as invitations to other of his creations The uncanny interplay of the writer and his context can be understood by the thoughtful patient reader capable of perceiving semantic patterns beneath the surface of words The excerpt from Nightworld A Novel of Virtual Reality inspired the cover image for this book since the woman with the wolf in the forest is a boundary crossing Artificial Intelligence Part of Farnsworth s epic vision for the future of humankind AIs and robotics the stories from DarkFire and DarkFire Continuum weave a continuous cosmology as the adventures of the spaceship Arcturus begin These stories reveal how their many intellectual games open vistas to the author s past and future stories as well as to inventions and discoveries on the far horizon of human thought E W Farnsworth is currently working on a visionary epic poem Voyage of the Spaceship Arcturus Market Town Stories Geoffrey Iley,2022-12-16 Tales from Towcester its hinterland and a few other places An entertaining mixture of stories beautifully told Some are inspired by the history of Towcester Roman Lactodorum and there is a sprinkling of Christmas related tales Bells at Christmas The Christmas Legions Christmas is Covered Santa s Train Set *Christmas Stories* Charles Dickens,1854 *Christmas Stories from "Household Words" and " All the Year Round"* Charles Dickens,1892
