The horse's eyes are partially closed, and its ears are pointed. The background is a soft-focus green field under a blue sky with light clouds. A dark wooden fence post is visible on the far left. Straight from the Horse's Mouth Keith Hughan, 2004-11 This book was not written solely for the horse racing fraternity The actions I took were the result of Ladbroke's not honouring a bet I had placed What would you do with 260 000 I don't know I did not get the chance to spend it Now was I going to let them get away with it without a fight You can bet I didn't but how far does one go Sledge was a good mate of mine He only stood about 3 foot high and weighed 14lb but we had some smashing times together Ladbroke's were a war unto themselves I thought that two could play at that game The trouble is that Ladbroke's hide behind an outdated act the Gentleman's agreement act 1845 When one takes the legal route for 5 years and gets no joy from the system then they may take the law into their own hands It was a shame that I could not be protected When you haven't got a care in the world your life can change dramatically I thought that free from care was free from stress wrong I played Sherlock Holmes for 10 years Did I get the answers that I needed You will have to read my story to find out Ladbroke's how do they say it in America Oh yeah Have a nice day
