today's world where Christian believers are facing increased levels of persecution we need to understand why Peter calls the Gospel the living hope that overcomes. In a world where false teaching is often accepted and encouraged we need to understand why Jude felt compelled to write and urge you to contend for the faith that was once for all entrusted to God's holy people. In today's world where the commentators seem to agree that the Church will soon succumb to its enemies we need to understand what made John so sure that the Church would overcome them because the one who is in you is greater than the one who is in the world. These letters could not be more relevant to our generation. Their message could not be more urgent. Allow them to show us how the Church can survive and thrive in our day. The Gospel always triumphs.

Straight to the Heart Daniel Blackaby, Mike Blackaby, 2024-08-06 Our approach to apologetics needs to change when the very idea of truth is controversial. But as authors Daniel Blackaby and Mike Blackaby teach us we can still reach people if we understand what they value most. This practical guide to our current landscape explores five effective communication pathways: Story. As people wired for narrative we can speak through the stories we live and tell. Beauty. In an increasingly industrialized world we can point people to pockets of beauty that reveal the attractiveness of God. Art. In a society that celebrates the arts we can cultivate creativity in the church then send artists out as cultural missionaries. Desire. To a people motivated by love, identity and purpose we can show how Jesus is the perfect fulfillment of our deepest longings. Community. As relational creatures where connectivity is disappearing we can offer a community of unified diversity. Culture may be in flux but God's Word remains true. **Straight to the Heart** helps us speak to the passions that drive our culture without compromising the life-changing truth of the gospel.

Straight from the Heart Ingrid Green, 2023-01-10 Have you ever been in love or experienced any pain? Most of us have memories from both. If you're like me it takes some time to process the feelings and thoughts that linger on after experiencing these two powerful emotions. This book helps to explain the joy and happiness as well as the disappointment and frustration caused by love and pain. How well do you know yourself? How do you deal with such feelings from their very start? This book will help you process those feelings that flow straight from the heart.

Straight from the Heart Vincent Punter, 2002-04-17 A collection of short stories, essays and poems in which the author expresses common threads of humanity found in everyday life. His appreciation for the natural world and its beauty is evident in his pure and uncomplicated syntax, his keen observation and his sincere assertions that indeed come straight from the heart.

Straight from the Heart Ann Richards, 2013-04-23 *Straight from the Heart* is Ann Richards's story told with her trademark candor and spicy humor. Born in a tiny town near Waco, Texas, she entered politics when her husband wouldn't and went on to become state treasurer, the first woman elected to statewide office in Texas in fifty years. She's had her victories and her battles: the breakup of a thirty-year marriage and a bout with alcohol, but it's her love of Texas

and Texas politics that has made her who she is This extraordinary memoir by one of the nation s leading politicians proves the wisdom of her observation that women can have a good and wonderful life but that it only begins when they accept responsibility for it not when they expect someone else to make it happen Richards talks openly about the course her life has taken and the choices she has made on the way Her hard won triumphs and savvy political career provide inspiring examples for all
