Straight From A Dads Heart:

Straight from the Heart for Dad Richard Exley, 1995 These eight heart warming emotional stories deal with the different aspects of being a father the relationships between fathers and their children and will express the breadth and depth of God's love for you and the vision He has for you as a father

The Dad in the Mirror Patrick Morley, David Delk, 2009-12-15 A blueprint for men who want to instill their love for God in the hearts of their children Who is that guy in the mirror To your son or daughter he's Dad the most important man in the world Men's leaders speakers and authors Patrick Morley and David Delk share with you the secrets of grace filled dads who understand that their most important work is to help shape the attitudes and beliefs of the next generation This book shows you how to father from your heart to your child's heart Rather than only seeking the right performance from them you can move into a dynamic relationship with your children that models what it means to love God and others truly and passionately Start by asking the right question not What is my child doing but Why is my child doing this Practical guidelines show you simple ways to help your children thrive to build a firm foundation of faith for your family and to empower your children by giving them both roots and wings Currently only sixty percent of children raised in church follow Jesus as adults Will your son or daughter be one of them We believe God will use this book to help you disciple your children to love God for a lifetime

Adopting the Father's Heart Kenneth A. Camp, 2013-06-03 Adopting the Father's Heart is a vulnerable and challenging look into God's call to orphan care through one couple's experience with adoption Kenneth and Danielle were on a path to return overseas as missionaries when God redirected them at least temporarily Both felt God leading them to foster children with the possibility of adopting How did they start the process What were the challenges and the rewards Their story informs convicts and inspires others to care for the orphans in our communities As a pastor who is trying to lead my church into ministry in the foster adopt world I am thrilled to have Kenny Camp's book Adopting the Father's Heart as a resource I'll make it required reading for both staff and volunteers who work in our foster adopt ministry Dr Will Davis Jr Senior Pastor Austin Christian Fellowship Filled with uncertainty and triumph this book will encourage you to consider those overlooked in our society With its practical advice and heart stirring truths I strongly recommend this book Lance Bane Senior Associate Pastor Church of the Hills Adopting the Father's Heart is an essential read not only for families wanting to foster children but for anyone who knows a family fostering children this book will compel you to re-evaluate your priorities so that you will be more focused on others and how you can change lives each and every day Kelly Gottschalk Preschool Pastor The Church at Canyon Creek
