Strains Of Music:

The Fourth Music Reader Julius Eichberg, 1880 **Howe's Complete Ball-room Hand Book** Elias Howe, 1858 To demonstrate the authority of this manual the publisher claims the author to be American inventor Elias Howe Similar to many other dance manuals published throughout the nineteenth century this book is a publisher's compilation of other sources The book begins with a description of ballroom etiquette dress appropriate music and rules for prompters The manual continues with discussion of the era's most popular dances including quadrilles waltz polka schottisch gorlitz polka mazurka country dances and figures for forty two French Fancy Cotillons also known as the cotillon or German a group dance performed as a series of party games usually to waltz music *Music* Nathanael Ellsworth Cornwall, 1851 [The Almain in Britain, c.1549-c.1675](#) Ian Payne, 2017-07-05 This complete scholarly edition of the collection of manuscript choreographies from c 1565 c 1675 associated with the Inns of Court is the first full length study of these sources to be published It offers practical reconstructions of the dances and provides a selection of musical settings simply but idiomatically arranged for four part instrumental ensemble or keyboard Part One centres on the manuscript sources which transmit the Almain and on the trends and influences that shaped its evolution in Britain from c 1549 to c 1675 taking account of both music and choreography In viewing the Almain within its broader historical context Ian Payne throws new light on the dance arguing that together with the measures which accompany it in the choreographies it owes an even greater debt to the English country dance than has hitherto been acknowledged a popular style that received its fullest expression in Playford's English Dancing Master of 1651 The second part of the book focuses on the dances themselves The steps are described in detail and reconstructions provided for the nine Almains and some of the other measures included in the manuscripts Part Three comprises a complete critical edition of the manuscripts These easily performable versions of the dances will be an invaluable aid to those wishing to learn the dances reconstruct them for stagings of Shakespeare's plays or Jacobean masques and for dance historians [Methodist Magazine and Review](#) ,1902 **Messages of Music** Henry Brenner (O.S.B.), 1923 **Boston Musical Gazette** ,1838 **Everybody's Guide to Music** Josiah Booth, 1893 *Poetical Quotations* Thomas William Herringshaw, 1892 *Catalogue of Music* British Museum, 1891
