The chapters in this volume consider a wide range of poets, novelists, short fiction writers and dramatists who have notably contributed to the proliferation of Indian literature in English from the late 20th century to the present. The volume provides an introduction to current developments in Indian English literature and explains general ideas as well as the specific features and styles of selected writers from this wide spectrum. It addresses students working in this field at university level and includes thorough reading lists and study questions to encourage students to read, reflect on and write about Indian English literature critically The Good of the Novel Liam McIlvanney, Ray Ryan, 2011-10-13 Brings together leading critics and novelists with some of the finest contemporary novels to answer probing questions about the role of the modern novel Freedom Amnesty International, 2011-03-04 Inspired by the Universal Declaration of Human Rights UDHR which starts memorably with Article 1, 'we are all born free and equal', Freedom is an enthralling anthology of short stories by some of the world's top writers. Published in association with Amnesty International, Freedom is an eclectic collection that will prompt readers to engage imaginatively with what human rights mean for all of us *The Cambridge Companion to Modern Indian Culture* Vasudha Dalmia, Rashmi Sadana, 2012-04-05 A wide ranging and truly interdisciplinary guide to understanding the relationship between India's colonial past and globalized present **Odysseus Abroad** Amit Chaudhuri, 2015-10-14 In this highly acclaimed novel, Amit Chaudhuri tells us the story of one unremarkable July day in 1980s London.
