Strange Bedfellows A Charlotte Justice Novel:

Strange Bedfellows Paula L. Woods, 2006-01-31 In LAPD homicide detective Charlotte Justice acclaimed crime writer Paula L Woods has created a heroine for our times Caught between her proud African American family and colleagues who still can't deal with diversity Detective Justice returns to an investigation she once had to leave behind and enters an explosive realm of haunting lies and dangerous truths Thirteen years ago Charlotte Justice's husband and child were murdered in the family's own driveway Now following a particularly violent incident involving a fellow officer Charlotte is on the edge bedeviled by bloody memories and living on single malt scotch and antacids But a cold case is bringing her back to work and a department shrink is willing to help her through it as long as she is willing to help herself So Charlotte resumes the hunt for the shooter who gunned down a prominent Republican businessman his young wife and two Muslim business associates outside an elegant Los Angeles restaurant The case has turned hot because Charlotte's initial suspect has suddenly surfaced as the cause of a freak auto accident The trouble is the suspect is in a coma and the businessman he presumably shot is still hovering between life and death Once Charlotte and her colleagues start digging the investigation careens in unpredictable directions from the meddling of a smooth talking FBI agent to the bizarre drama unfolding around the victim's family and business While Charlotte is accustomed to white cops black cops and perps of every shade and persuasion this case is stranger than even she could have guessed Worst of all it's also about her contentious family and the Justice's terrible secret In this pivotal installment in her acclaimed series Paula L Woods returns at full throttle weaving a brilliant tale filled with nail biting suspense twisted relationships and a strong woman driven by a passion for justice and a hunger for the truth

A History of American Crime Fiction Chris Raczkowski, 2017-10-26 A History of American Crime Fiction places crime fiction within a context of aesthetic practices and experiments intellectual concerns and historical debates generally reserved for canonical literary history Toward that end the book is divided into sections that reflect the periods that commonly organize American literary history with chapters highlighting crime fiction's reciprocal relationships with early American literature romanticism realism modernism and postmodernism It surveys everything from 17th century execution sermons the detective fiction of Harriet Spofford and T S Eliot's *The Waste Land* to the films of David Lynch HBO's *The Sopranos* and the podcast *Serial* while engaging a wide variety of critical methods As a result this book expands crime fiction's significance beyond the boundaries of popular genres and explores the symbiosis between crime fiction and canonical literature that sustains and energizes both

Great Women Mystery Writers Elizabeth A. Blakesley, 2006-11-30 Mysteries are among the most popular books today and women continue to be among the most creative and widely read mystery writers This book includes alphabetically arranged entries on 90 women mystery writers Many of the writers discussed were not even writing when the first edition of this book was published in 1994 while others have written numerous works since then Writers were selected based on their status as award winners their commercial success and their

critical acclaim Each entry provides biographical information a discussion of major works and themes and primary and secondary bibliographies The volume closes with appendices and a selected general bibliography Public library patrons will value this guide to their favorite authors while students will turn to it when writing reports

The Cambridge Companion to the Literature of Los Angeles Kevin R. McNamara, 2010-05-06 Los Angeles has a tantalizing hold on the American imagination Its self magnifying myths encompass Hollywood glamour Arcadian landscapes and endless summer but also the apocalyptic undertow of riots environmental depredation and natural disaster This Companion traces the evolution of Los Angeles as the most public staging of the American Dream and American nightmares The expert contributors make exciting innovative connections among the authors and texts inspired by the city covering the early Spanish settlers African American writers the British and German expatriates of the 1930s and 1940s Latino and Asian LA literature The genres discussed include crime novels science fiction Hollywood novels literary responses to urban rebellion the poetry scene nature writing and the most influential non fiction accounts of the region Diverse vibrant and challenging as the city itself this Companion is the definitive guide to LA in literature

The Publishers Weekly, 2005

African American Mystery Writers Frankie Y. Bailey, 2014-01-10 The book describes the movement by African American authors from slave narratives and antebellum newspapers into fiction writing and the subsequent developments of black genre fiction through the present It analyzes works by modern African American mystery writers focusing on sleuths the social locations of crime victims and offenders the notion of doing justice and the role of African American cultural vernacular in mystery fiction A final section focuses on readers and reading examining African American mystery writers access to the marketplace and the issue of the double audience raised by earlier writers Instructors considering this book for use in a course may request an examination copy here

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some

outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **American Book Publishing Record** ,2006 Bowker's Guide to Characters in Fiction 2007
,2008-02 *The Writers Directory* ,2013
