John Humphrey Noyes

Strange Cults And Utopias Of Nineteenth Century America:

Strange Cults and Utopias of 19th-century America John Humphrey Noyes, 1966 During forty years in the mid 19th Century a large number of communitarian societies was established in America most of them dedicated to the Socialist principles of Owen and Fourier It was a national movement involving some 136 500 acres of land in eleven states and over 8 500 individuals Each society was launched with fervent hope and the sacrifice of much time and money yet it was the rare one that managed to survive its second year and its decrease often left behind a load of debts and much disillusionment Interesting in human as well as historical terms the communitarian movement is one of the most fascinating adventures America has experienced Back cover **America's Communal Utopias** Donald E. Pitzer, 2010-01-20 From the Shakers to the Branch Davidians America's communal utopians have captured the popular imagination Seventeen original essays here demonstrate the relevance of such groups to the mainstream of American social religious and economic life The contributors examine the beliefs and practices of the most prominent utopian communities founded before 1965 including the long overlooked Catholic monastic communities and Jewish agricultural colonies Also featured are the Ephrata Baptists Moravians Shakers Harmonists Hutterites Inspirationists of Amana Mormons Owenites Fourierists Icarians Janssonists Theosophists Cyrus Teed's Koreshans and Father Divine's Peace Mission Based on a new conceptual framework known as developmental communalism the book examines these utopian movements throughout the course of their development before during and after their communal period Each chapter includes a brief chronology giving basic information about the group discussed An appendix presents the most complete list of American utopian communities ever published The contributors are Jonathan G Andelson Karl J R Arndt Pearl W Bartelt Priscilla J Brewer Donald F Durnbaugh Lawrence Foster Carl J Guarneri Robert V Hine Gertrude E Huntington James E Landing Dean L May Lawrence J McCrank J Gordon Melton Donald E Pitzer Robert P Sutton Jon Wagner and Robert S Weisbrot *History of American Socialisms . Strange Cults and Utopias of 19th Century America* j. h. compiler Noyes, 1966 *In Search of the Utopian States of America* Verena Adamik, 2020-12-01 This book endeavours to understand the seemingly direct link between utopianism and the USA discussing novels that have never been brought together in this combination before even though they all revolve around intentional communities Imlay's *The Emigrants* 1793 Hawthorne's *The Blithedale Romance* 1852 Howland's *Papa's Own Girl* 1874 Griggs's *Imperium in Imperio* 1899 and Du Bois's *The Quest of the Silver Fleece* 1911 They relate nation and utopia not by describing perfect societies but by writing about attempts to immediately live radically different lives Signposting the respective communal history the readings provide a literary perspective to communal studies and add to a deeply necessary historicization for strictly literary approaches to US utopianism and for studies that focus on Pilgrims Puritans Founding Fathers as utopian practitioners This book therefore highlights how the authors evaluated the USA's utopian potential and traces the nineteenth century development of the utopian imagination from various perspectives Science and Empire in the Nineteenth Century

Catherine Delmas, Christine Vandamme, 2010-10-12 The issue at stake in this volume is the role of science as a way to fulfil a quest for knowledge a tool in the exploration of foreign lands a central paradigm in the discourse on and representations of Otherness The interweaving of scientific and ideological discourses is not limited to the geopolitical frame of the British empire in the nineteenth and early twentieth centuries but extends to the rise of the American empire as well The fields of research tackled are human and social sciences anthropology ethnography cartography phrenology which thrived during the period of imperial expansion racial theories couched in pseudo scientific discourse natural sciences as they are presented in specialised or popularised works in the press in travel narratives at the crossroads of science and literature in essays but also in literary texts Contributors examine such issues as the plurality of scientific discourses their historicity the alienating dangers of reduction fragmentation and reification of the Other the interaction between scientific discourse and literary discourse the way certain texts use scientific discourse to serve their imperialist views or conversely deconstruct and question them Such approaches allow for the analysis of the link between knowledge and power as well as of the paradox of a scientific discourse which claims to seek the truth while at the same time both masking and revealing the political and economic stakes of Anglo saxon imperialism The analysis of various types of discourse and or representation highlights the tension between science and ideology between scientific objectivity and propaganda and stresses the limits of an imperialist epistemology which has sometimes been questioned in more ambiguous or subversive texts *Mystics and Messiahs* Philip Jenkins, 2000 In this full length account of cults and anti cult scares in American history Jenkins gives accurate historical perspective and shows how many of today s mainstream religions were originally regarded as cults *The Oxford Handbook of Millennialism* Catherine Wessinger, 2016-07 Seventh Day Adventists Melanesian cargo cults David Koresh s Branch Davidians and the Raelian UFO religion would seem to have little in common What these groups share however is a millennial orientation the audacious human hope for a collective salvation which may be either heavenly or earthly The Oxford Handbook of Millennialism offers readers an in depth look at both the theoretical underpinnings of the study of millennialism and its many manifestations across history and cultures *A History of Religion in America* Bryan Le Beau, 2017-09-18 A History of Religion in America From the First Settlements through the Civil War provides comprehensive coverage of the history of religion in America from the pre colonial era through the aftermath of the Civil War It explores major religious groups in the United States and the following topics Native American religion before and after the Columbian encounter Religion and the Founding Fathers Was America founded as a Christian nation Religion and reform in the 19th century The first religious outsiders A nation and its churches divided Chronologically arranged and integrating various religious developments into a coherent historical narrative this book also contains useful chapter summaries and review questions Designed for undergraduate religious studies and history students A History of Religion in America provides a substantive and comprehensive introduction to the complexity of religion in American history **Avant-Garde in the**

Cornfields Michelangelo Sabatino, Ben Nicholson, 2019-10-15 A close examination of an iconic small town that gives boundless insights into architecture landscape preservation and philanthropy Avant Garde in the Cornfields is an in depth study of New Harmony Indiana a unique town in the American Midwest renowned as the site of two successive Utopian settlements during the nineteenth century the Harmonists and the Owenites During the Cold War years of the twentieth century New Harmony became a spiritual living community and attracted a wide variety of creative artists and architects who left behind landmarks that are now world famous This engrossing and well documented book explores the architecture topography and preservation of New Harmony during both periods and addresses troubling questions about the origin production and meaning of the town s modern structures landscapes and gardens It analyzes how these were preserved recognizing the funding that has made New Harmony so vital and details the elaborate ways in which the town remains an ongoing experiment in defining the role of patronage in historic preservation An important reappraisal of postwar American architecture from a rural perspective Avant Garde in the Cornfields presents provocative ideas about how history is interpreted through design and historic preservation and about how the extraordinary past and present of New Harmony continue to thrive today Contributors William R Crout Harvard U Stephen Fox Rice U Christine Gorby Pennsylvania State U Cammie McAtee Harvard U Nancy Mangum McCaslin Kenneth A Schuette Jr Purdue U Ralph Schwarz Paul Tillich

American Christianities Catherine A. Brekus, W. Strange Cults And Utopias Of Ninteenth Century America Introduction

In the digital age, access to information has become easier than ever before. The ability to download Strange Cults And Utopias Of Ninteenth Century America has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Strange Cults And Utopias Of Ninteenth Century America has opened up a world of possibilities. Downloading Strange Cults And Utopias Of Ninteenth Century America provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Strange Cults And Utopias Of Ninteenth Century America has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Strange Cults And Utopias Of Ninteenth Century America. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Strange Cults And Utopias Of Ninteenth Century America. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Strange Cults And Utopias Of Ninteenth Century America, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Strange Cults And Utopias Of Ninteenth Century America has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
