Reiner,2011-06-28 Standing at Sinai Sermons and Writings captures the trends and the struggles of 25 years at Temple Sinai a large Reform Jewish synagogue in Washington D C The book includes a selection of Rabbi Fred Reiner's High Holy Day sermons Purim messages scholarly papers and additional writings that comment on key moments in his tenure The result reflects Rabbi Reiner's religious and intellectual journey as well as the history of Temple Sinai during years of challenge expansion and growth Standing at Sinai grapples with the questions confronting the congregation and the larger Jewish community at the turn of the 21st century Can our Jewish community maintain its integrity as it continues to assimilate What role does Israel play in our lives What are the beliefs and values that help to shape us as post modern American Jews The Tomorrow-Tamer Margaret Laurence,2008-01-01 The ten stories gathered together in The Tomorrow-Tamer are Margaret Laurence's first published fiction Set in raucous and often terrifying Ghana where shiny Jaguars and modern jazz jostle for eminence against fetish figures tribal rites and the unchanging beat of jungle drums the stories tell of individuals European and African trying to come to terms with the frightening world brought about by the country's new

freedom With the same compassion and understanding she would bring to her later fiction set in Canada Laurence succeeds brilliantly in capturing the atmosphere of a continent and of individual men and women struggling for survival under the impact of the wind of change **Too Long a Stranger** Janette Oke,2006-10 After raising her daughter alone will Sarah be able to overcome the distance between them as adults **A Stranger's Journey: An isekai adventure trip to renew the world 3** Karen Parker,2024-12-07 In a realm where the whisper of leaves carries ancient secrets and power flows through the earth's roots a new ruler rises from the shadows of the forest Here in a kingdom forged from the wilderness itself alliances are as fleeting as the morning mist and survival demands more than mere strength With a deep connection to the mystical forces of the forest our hero must tread the dangerous path to sovereignty balance the delicate politics of rival clans and master the raw untamed magic that permeates the land In the midst of battles that reshape the fabric of nature a dynasty is born of resilience and an unwavering will to survive This epic narrative weaves the strands of destiny and power into a story in which every heartbeat is a brushstroke in the great painting of a kingdom's rise **Discerning the Signs of the Times - Sermons for Today and Tomorrow** Reinhold Niebuhr,2013-01-14 This early work of theology is both expensive and hard to find in its first edition It contains the writings of the twentieth century theologian Reinhold Niebuhr and his thoughts on contemporary religion This is a fascinating work and is thoroughly recommended for anyone with an interest in the history of religion Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce We are republishing these classic works in affordable high quality modern editions using the original text and artwork
