Graham Harvey, 2014-09-11 Religion is more than a matter of worshipping a deity or spirit. For many people, religion pervades every part of their lives and is not separated off into some purely private and personal realm. Religion is integral to many people's relationship with the wider world, an aspect of their dwelling among other beings, both human and other than human, and something manifested in the everyday world of eating food, having sex, and fearing strangers. *Food, Sex and Strangers* offers alternative ways of thinking about what religion involves and how we might better understand it. Drawing on studies of contemporary religions, especially among indigenous peoples, the book argues that religion serves to maintain and enhance human relationships in and with the larger-than-human world. Fundamentally, religion can be better understood through the ways we negotiate our lives than in affirmations of belief, and it is best seen when people engage in intimate acts with themselves and others. **The Stranger's Shadow**

Gabrielle Carey, 2013-11-01 Two literary lives defined by storytelling and secrets. As her mother Joan lies dying, Gabrielle Carey writes a letter to Joan's childhood friend, the reclusive novelist Randolph Stow. This letter sets in motion a literary pilgrimage that reveals long-buried family secrets. Like her mother, Stow had grown up in Western Australia. After early literary success and a Miles Franklin Award win in 1958 for his novel *To the Islands*, he left for England and a life of self-imposed exile. Living most of her life on the east coast, Gabrielle was

also estranged from her family's west Australian roots but never questioned why. A devoted fan of Stow's writing, she becomes fascinated by his connection with her extended family but before she can meet him he dies. With only a few pieces of correspondence to guide her, Gabrielle embarks on a journey from the red dirt landscape of Western Australia to the English seaside town of Harwich in a quest to understand her family's past and Stow's place in it. *Moving Among Strangers* is a celebration of one of Australia's most enigmatic and visionary writers. *Strangers in the Night* Katherine

Saints and Strangers Joseph A. Conforti, 2006-01-09 Conforti's book will give you a better understanding of Colonial New England and the lives of your ancestors who settled there. Family Tree Magazine Named a Choice Outstanding Academic Title In the first general history of colonial New England to be published in over twenty-five years, Joseph A. Conforti synthesizes current and classic scholarship to explore how Puritan saints and strangers to Puritanism participated in the making of colonial New England. Massachusetts Governor John Winthrop's famous description of New England as a city upon a hill has tended to reduce the region's history to an exclusively Pilgrim Puritan drama: a world of narrow-minded founders, the First Thanksgiving, steepled churches, and the Salem witchcraft trials. In a concise volume aimed at general readers and college students as well as historians, Conforti shows that New England was neither as Puritan nor as insular as most familiar stories imply. As the region evolved into British America's preeminent maritime region, the Atlantic Ocean served as a highway of commercial and cultural encounter connecting white English settlers to different races and religious communities of the transatlantic world. The Puritan elite but also Natives, African slaves, and non-Puritan white settlers became active participants in the creation of colonial New England. Conforti discusses how these subcommunities of white, red, and black

strangers to Protestant piety retained their own cultures coexisted and even thrived within and beyond the domains of Puritan settlement creating tensions and pressure points in the later development of early America The most innovative characteristic of Saints and Strangers is surely its integration of so many different people into a chronological narrative
