Strany Ŭgo-Zapadnoĭ Azii i Severnoĭ Afriki Izrail' Adol'fovich Genin,1911 Arrested Development Alessandro Iandolo,2022-08-15 Winner of the Marshall Shulman Book Prize of the Harriman Institute of Columbia University Winner of the W Bruce Lincoln Book Prize of the Association for Slavic East European and Eurasian Studies In Arrested Development Alessandro Iandolo examines the USSR s role in West Africa during the 1950s and 1960s as an aid donor trade partner and political model for newly independent Ghana Guinea and Mali With a strong economy in the 1950s the USSR expanded its global outreach supporting economic development in post colonial Africa and Asia Many nations saw the Soviet model as a path to political and economic independence Drawing on extensive Russian and West African archival research Iandolo explores Soviet ideas sponsored projects and their lasting impact Soviet specialists worked alongside West African colleagues to design ambitious development plans build infrastructure establish collective farms survey mineral resources and manage banking and trade These collaborations and the tensions they created shed light on how Soviet and West African visions of development intersected Arrested Development positions the USSR as a key player in twentieth century economic history reshaping global approaches to modernization Socialist Internationalism in the Cold War Patryk Babiracki,Austin Jersild,2016-12-10 This volume examines how numerous international transfers circulations and exchanges shaped the world of socialism during the Cold War Over the course of half a century the Soviets shaped politics values and material culture

throughout the vast space of Eurasia and foreign forces in turn often influenced Soviet policies and society The result was the distinct and interconnected world of socialism or the Socialist Second World Drawing on previously unavailable archival sources and cutting edge insights from New Cold War and transnational histories the twelve contributors to this volume focus on diverse cultural and social forms of this global socialist exchange the cults of communist leaders literature cinema television music architecture youth festivals and cultural diplomacy The book s contributors seek to understand the forces that enabled and impeded the cultural consolidation of the Socialist Second World The efforts of those who created this world and the limitations on what they could do remain key to understanding both the outcomes of the Cold War and a recent legacy that continues to shape lives cultures and policies in post communist states today *Africa* John McIlwaine,2007 First published in 1993 this is a new revised and substantially expanded edition of a highly acclaimed reference resource that evaluates the leading sources of information other than bibliographies on Africa South of the Sahara Cold War Crossings Patryk Babiracki,Kenyon Zimmer,2014-03-20 Approaching the early decades of the Iron Curtain with new questions and perspectives this important book examines the political and cultural implications of the communists international initiatives Building on recent scholarship and working from new archival sources the seven contributors to this volume study various effects of international outreach personal technological and cultural on the population and politics of the Soviet bloc Several authors analyze lesser known complications of East West exchange others show the contradictory nature of Moscow s efforts to consolidate its sphere of influence in Eastern Europe and in the Third World An outgrowth of the forty sixth annual Walter Prescott Webb Lectures hosted in 2011 by the University of Texas at Arlington Cold War Crossings features diverse focuses with a unifying theme **Africa in Russia, Russia in Africa** Maxim Matusevich,2007 This book presents an interdisciplinary look at the complex nature of historical political and cultural ties between Africa and Russia A diverse group of accomplished historians sociologists political scientists and journalists have contributed essays that reveal and explain a variety of invisible links tying together the seemingly incongruent cultural and historical traditions of Africa and Russia From African presence in early imperial Russia to the Soviet adventures in colonial and post colonial Africa to the role and predicament of African Russians in the post Soviet society this volume stakes out a vast emerging field for further scholarly research and interpretation Handbook of Revolutions in the 21st Century Jack A. Goldstone,Leonid Grinin,Andrey Korotayev,2022-05-19 The 21st century has witnessed a considerable and increasing number of political revolutions around the world This contradicts the popular belief of many experts in the 1970s that revolutions occurred mainly in monarchies and empires Instead the revolutions of this century have several new characteristics which call for a renewed analysis of the subject This handbook offers a comparative perspective on the new wave of revolutions of the last decade Presenting case studies on the color revolutions the Arab revolutions of 2010 2011 and the global wave of revolutions in 2013 2018 that spanned regions ranging from Africa to the Caucasus it offers a better understanding of the varied forms features and

historical backgrounds of revolutions as well as their causes Accordingly it highlights recent revolutions in their historical and world systems contexts The handbook is divided into seven parts the first of which examines the history of views on revolution and important aspects of the theory of revolution The second part analyzes revolutions within long term historical trends and in their world system contexts In turn the third part explores specific major revolutionary waves in history The fourth part analyzes the first revolutionary wave of the 21st century 2000 2009 the so called color revolutions while the fifth discusses the second wave the Arab Spring 2010 2013 as an important turning point The sixth part is dedicated to analyzing revolutions and revolutionary movements beyond the Arab Spring and some revolutionary events from the third wave that began in 2018 The seventh and final part offers forecasts on the future of revolutions Given its scope the book will appeal to scholars and students from various disciplines interested in historical trends sociopolitical change contentious politics social movements and revolutionary processes involving both nonviolent campaigns and political violence Once again this volume demonstrates the kind of open minded systematic analysis that the field of revolutionary studies requires Prof George Lawson Department of International Relations Australian National University Canberra **Economic Papers** ,1977
