Strategic Executive Development The Five Essential Investments:

Strategic Executive Development James F. Bolt, Michael R. McGrath, Mike Dulworth, 2005-06-14 Strategic Executive Development written by three leaders in the field of executive development James F Bolt Michael McGrath and Michael Dulworth shows how world class companies use executive development to drive business strategy and affect growth This important resource presents five strategic uses of executive development that produce demonstrable business impact Based on empirical data gathered from their extensive research and consulting and a comprehensive survey of executive development in leading organizations this book answers the key question What are the investments in executive development that have the biggest impact Using illustrative case studies the authors clearly demonstrate how executive development is being successfully implemented at some of the world's most recognizable and enduring companies including Texas Instruments These cases describe what is working and why offer insights into the key process steps and show how companies have measured and validated the effects of executive development Strategic Executive Development offers the framework needed to create an executive development strategy and program that will help your organization achieve measurable business results and develop the executive capabilities needed to win in the marketplace *Strategic Human Resource*

Development Matthias T. Meifert, 2014-01-20 In an era that has brought new and unexpected challenges for virtually every company one would be hard pressed to find any responsible manager who is not thinking about what the future will bring In the wake of these challenges strategic planning has moved from being the reserve of large corporations to becoming an essential need for even small and medium sized enterprises But what good is even the most convincing strategic concept if the company's people are unwilling or unable to put it into practice The key is to develop people and to develop them not only for the work of today but also for the challenges that the future holds Strategic HR development has become a decisive force for the success of any business This book edited by Matthias T Meifert shows us which basic considerations we need to remember and what strategic HR development means in practice Its interesting and vivid approach takes the reader on a tour of the eight stages of HR development introduces the critical factors and highlights many practical recommendations for strategic HR development practice in business **The AMA Handbook of Leadership Chapter 6: Developing**
