Professional Journal of the United States Army ,1987 **Military Review** ,1987 *The Great War, Memory and Ritual* Mark Connelly,2002 The work concentrates on the planning of fund raising for and erection of war memorials and then goes on to show how those memorials became a focus for a continuing need to remember particularly each year on Armistice Day **BOOK JACKET The Lion and the Rose** Kevin Shannon,2017-05-17 The Lion and the Rose tells the story of an infantry battalion in the Great War Based on many unpublished sources the book narrates the individual parts played by nearly 2 000 of those who served with the 4th King s Own Royal Lancaster Regiment from the day that war was declared in 1914 until the armistice in 1918 and in a few cases the stories of men whose war continued long afterwards The battalion first saw action in Festubert in May 1915 and went on to fight on the Somme the Ypres Salient and Gillemont Farm though the battalion s epic stand at Givenchy on 9 April 1918 must rate as one of the greatest defensive actions of the war Using contemporary combat reports many of the major actions are described down to individual platoon level The Lion and the Rose does not just concentrate on the major battles but also examines everyday life in the trenches Appendices give the most complete battalion roll to date and list those awarded medals for their bravery and also those nominated unsuccessfully for recognition Illustrations 28 black and white photographs and 13 in text maps **Battles of a Gunner Officer** John Philip Jones,2014-05-31 What was it like to serve as an artillery officer during the Second World War How did he view the battlefield and experience combat And how did his work with the guns combine with that of the other arms the infantry the tanks Peter Pettit s diary covering his entire wartime career in the Royal Artillery edited and with an extensive introduction by John Philip Jones offers a rare insight into the day to day existence of a gunner at war and it is a valuable record of the role played by the Royal Artillery during the conflict Since Peter Pettit served as a field officer in North Africa Sicily Normandy and during the Allied advance across France and Belgium into Germany his account shows the wide range of challenges that confronted the artillery in different conditions at each stage of the war Although the landscapes and battlefields changed the practical problems and acute dangers he faced remained much the same and he recorded them in the same open and forthright way His authentic record combined with John Philip Jones s meticulous description of the planning and progress of each campaign provide a rounded view the nature of the artillery war and the men who fought it General Sir Richard Barrons Commander Joint Forces Command Professor John Philip Jones breaks new ground as he brings into the light for the first time the private record of one rather special participant Peter Pettit s personal and contemporaneous notes detail his journey from the first encounters with a determined enemy in Tunisia through the difficult invasion of Sicily and finally on to the outstanding events of Normandy in 1944 This story is made much more interesting and accessible for the general reader by the accompanying succinct historical overview of the events For anyone looking for a rare insight into the hard business of field soldiering in the crucible of war these diaries paint a very colourful accurate and
