Tether Poems:

Tether Kirsten Dierking, 2013 Poetry In her third book of poems Kirsten Dierking explores the way our everyday desires shape themselves into the miraculous like antlers branched in sprays of bone against the sky In selecting Dierking's work for a McKnight Artist Fellowship three time National Book Award finalist Marilyn Nelson wrote I found these slight reticent poems tender and thoughtful They demonstrate the virtue of withholding showing that sometimes less is definitely more TETHER is an exploration of fluid unseen grace as it manifests around us building an uncanny and potent now **The Tether** Carl Phillips, 2001-04-09 In these twenty eight new poems Carl Phillips considers the substance of connection between lover and beloved mind and body talon and perch and tends the cable of mutual trust between soaring figure and shadowed ground **Tether** Lisa Fay Coutley, 2020 Poetry Women's Studies In TETHER a spacecraft of a book superbly conceived and assembled Lisa Fay Coutley engineers both recovery and healing in poems that swerve emotionally between the landing bays of grief longing and wonder A bright hunger constellates around these poems but so too the immensities of love TETHER is a burning inquiry into the miracle of being here on earth and what keeps us fastened to each other for better or worse Major Jackson Lisa Fay Coutley's TETHER is characterized by a compressed tension each line each word hitched to the next quivering with the effort to remain connected and with the opposing desire to be released The image of the tether accrues intensity in the course of the book astronaut tethered to the ship poet to the poem mother to the homeless addict child and child to the mother and in the space between the two great opposing poles is God who learns in that chasm wonder there are no conventional false resolutions to be had Every event that's saved my life has nearly killed me the speaker declares and I would rather live with my burning than sleep with my dead This is a far reaching book a political book a deeply personal and heroic book Its thesis is reflected in its enviably honed diction Mystery is her bitch the speaker writes of the eclipsing sun The same is true of Lisa Fay Coutley and the ravishing poems of tether Diane Seuss TETHER is a book of distances and intimacies of letters never sent and dream talks and delayed communiques It is a study of distance between us between an astronaut and a poet between lovers between ourselves and each other ourselves and ourselves We are the beached boat with a hole in its hull admits the poet Each of us even as baby in a womb is a cloud And yet there is so much love And yet everything that happens to us happens for a purpose And when one turns worthy a giant squid washes ashore It is this knowing this insight into our distances of years of geography of a space of a single day here that I find compelling how far must you back away from yourself to see yourself as the Astronaut sees Earth Beautiful work Ilya Kaminsky Just over a full column of definitions for tether in the OED among which are those that suggest diametrically opposite forms of fastening It's fascinating to read through them but not nearly so compelling as it is to read the poems in Lisa Fay Coutley's TETHER We are tied ensnared and attached in an especially intimate sense of that word to everything that matters which Coutley knows and makes us see and in the richest sense of this word feel This is a superb book of poems Robert Wrigley Is it desire

wonder duty or memory that keeps us most firmly tethered to the world where truth is every bird starving and we live in constant awareness of all the forces that threaten to break the bonds between us and our loved ones A mother's death a son's drug addiction the disastrous world news filtered daily through the internet how do we reconcile the painful events that define our existence with our hope for a more secure future Through sinewy sometimes hallucinogenic syntax that threatens to but never does spin out of control TETHER's poems examine a contemporary and very human paradox in which we long to absent ourselves from our grief while also needing to document our losses so as to ensure we won't forget TETHER reminds us that we are formed as much from pain as from delight and that in her ability to look back upon her past upon today's terrible and compelling news the contemporary poet is like an astronaut able to regard the world from a great height a witness to what most of us cannot bear to see Paisley Rekdal *Selected Poems* Robert Burns, 1920 *The Poems of T. S. Eliot, Volume I* T. S. Eliot, 2018-12-04 The first volume of the first paperback edition of *The Poems of T. S. Eliot* This two volume critical edition of T. S. Eliot's poems establishes a new text of the *Collected Poems* 1909-1962 rectifying accidental omissions and errors that have crept in during the century since Eliot's astonishing debut *The Love Song of J. Alfred Prufrock* In addition to the masterpieces *The Poems of T. S. Eliot* contains the poems of Eliot's youth which were rediscovered only decades later poems that circulated privately during his lifetime and love poems from his final years written for his wife Valerie Calling upon Eliot's critical writings as well as his drafts letters and other original materials Christopher Ricks and Jim McCue have provided a commentary that illuminates the imaginative life of each poem This first volume respects Eliot's decisions by opening with his *Collected Poems* 1909-1962 as he arranged and issued it shortly before his death This is followed by poems uncollected but either written for or suitable for publication and by a new reading text of the drafts of *The Waste Land* The second volume opens with the two books of verse of other kinds that Eliot issued *Old Possum's Book of Practical Cats* and *Anabasis* his translation of St. John Perse's *Anabase* Each of these sections is accompanied by its own commentary Finally pertaining to the entire edition there is a comprehensive textual history that contains not only variants from all known drafts and the many printings but also extended passages amounting to hundreds of lines of compelling verse
