Leo Strauss and the Rediscovery of Maimonides Kenneth Hart Green, 2022-12-22 In Leo Strauss and the Rediscovery of Maimonides Kenneth Hart Green explores the critical role played by Maimonides in shaping Leo Strauss's thought. In uncovering the esoteric tradition employed in Maimonides's Guide of the Perplexed, Strauss made the radical realization that other ancient and medieval philosophers might be concealing their true thoughts through literary artifice. Maimonides and al Farabi he saw, allowed their message to be altered by dogmatic considerations only to the extent required by moral and political imperatives and were in fact avid advocates for enlightenment. Strauss also revealed Maimonides's potential relevance to contemporary concerns, especially his paradoxical conviction that one must confront the conflict between reason and revelation rather than resolve it. An invaluable companion to Green's comprehensive collection of Strauss's writings on Maimonides, this volume shows how Strauss confronted the commonly accepted approaches to the medieval philosopher, resulting in both a new understanding of Maimonides and a new depth and direction for his own thought. It will be welcomed by anyone engaged with the work of either philosopher. *Forthcoming Books* Rose Arny, 1996 Healing Your Soul Dr. Samuel White, III, 2016-02-26 *Healing Your Soul* starts with a systematic approach to understanding the soul and its ailments. Dr. White does an extraordinary job of defining spiritual sickness, the symptoms, treatment, and finally the doctor's orders, which is the Word of God as the ultimate prescription or medication for healing our souls. This book lays the foundation for discovering that spiritual healing for spirit, soul, and body is available and is a gift from God. Gwen Graddy Dansby MD, FACP. Dr. White's genuineness is what makes *Healing Your Soul* so refreshing. His honesty concerning his own need for spiritual healing creates a sacred space for the reader to be open, honest, and self-reflective. It is an invitation to trust God and experience his power in new and fresh ways. Dr. Michael Williams, Executive Minister of the American Baptist Churches of Michigan. *Healing Your Soul* encourages us to develop and covet our own personal relationship with God in order to cope with latent, sometimes blatant, and uncomfortable sins. Grenae Dudley White PhD LP. *Healing Your Soul* cuts to the core of sin, temptation, and the lack of self-care, which often plagues the fabric of most inner ontological thinking. Dr. White shares his struggles and successes on how his meditation became his medication for the soul. This is an absolute must-read book. Rev. Dr. Edwin H. Holmes, President of the Michigan Progressive Baptist Convention.
