Damage Caused by Genetically Modified Organisms Bernhard A. Koch, 2010-10-28 The debate about the use of genetically modified organisms in European agriculture is fuelled by the fear of the general public about potential risks of GM farming whether substantiated or not Transgenic food is suspected to cause bodily harm have a negative impact upon the health of animals weaken the productivity of conventional farmland reduce biodiversity or otherwise deteriorate the environment to name but a few dangers popping up in the public debate Apart from setting standards for GM farming and requiring safety checks for transgenic products all jurisdictions also provide for the case that such risks should materialize These are not necessarily novel approaches classic tort law already offers remedies for such losses Sometimes these traditional solutions are enhanced or replaced by alternative redress schemes This volume compares twenty European and four non European jurisdictions in this respect and provides special analyses from an economic and insurance perspective as well as surveys of cross border dispute resolution and international law

A New Framework for Intermediary Liability Kylie Pappalardo, 2023-03-02 A New Framework for Intermediary Liability presents a step by step framework for determining when internet intermediaries ought to have a duty to act to prevent copyright infringement on their platforms and services

Suing for Silence Mandi Gray, 2024-03-01 Suing for Silence is a groundbreaking examination of how men accused of sexual violence use defamation lawsuits as a weapon to silence those who attempt to hold them accountable As Mandi Gray demonstrates Canadian defamation law helps perpetuate the myth that false allegations of sexual violence are common Gray draws on media reports courtroom observations and interviews with silence breakers activists and lawyers to examine the societal and individual implications of so called liar lawsuits She argues that their purpose is not to achieve justice but to intimidate silence and drain the resources of those who speak out against sexual violence and even report their own assaults and to discourage others from doing the same This meticulous work reveals the gendered underpinnings of Canadian defamation law which has long protected men s reputations at the expense of women s sexual autonomy Sexual violence discourse must have adequate protection if it is to be heard
