The Leaving And Other Stories Point:

Tell Me a Story Roger C. Schank, 1995 In this study by an expert on learning and computers the author argues that artificial intelligence must be based on real human intelligence

The Shunned House And Other Stories (Annotated)
H. P. Lovecraft, Howard Phillips Lovecraft 1890-1937 was an influential American writer of weird and horror fiction. Lovecraft's writing often explored themes of existential dread, forbidden knowledge, and the insignificance of humanity in the face of incomprehensible cosmic forces. In this book, we present you with five stories of Lovecraft: *The Shunned House*, *The Haunter of the Dark*, *The Picture in the House*, *The Rats in the Walls*, and *The Dreams in the Witch House*. Each in its own way reveals his mastery of cosmic horror, weaving together ancient evils and the fragility of human sanity. In *The Shunned House*, Lovecraft delves into the history of a cursed dwelling, its dark secrets, and the sinister forces that plague its residents. *The Haunter of the Dark* explores the terror of forbidden knowledge and the dreadful consequences of uncovering ancient truths. *The Picture in the House* and *The Rats in the Walls* delve into the hidden horrors lurking in the past in old books and beneath the foundations of ancestral homes, reminding us that history can be a grim and unsettling revelation. Finally, *The Dreams in the Witch House* takes readers on a journey through the ominous corridors of Arkham, where academic curiosity leads to encounters with eldritch horrors. Lovecraft's blend of psychological dread and cosmic malevolence continues to make these stories essential reading for fans of horror fiction, leaving a lasting impression on those who dare to explore the depths of his eldritch imagination.

The Girl from the Sea and Other Stories Sophia de Mello Breyner Andresen, 2020-04-29 The stories included in this collection are classics of children's literature and have been cherished by generations of Portuguese children. This is the first time these stories have been translated into English. The author is one of Portugal's greatest poets, and like her poetry, these stories are filled with her delight and pleasure in nature, gardens, and the sea, as well as her keen sense of the magical. Among other things, we encounter dwarves, diminutive little girls who live on the sea bed, plants that come alive at night, a tree that lives on long after it has been felled, and a pilgrim who discovers much more than the Holy Land. Her themes are above all loyalty and friendship.

Last Notes : And Other Stories Tamas Dobozsy, 2011-10-28 In the tradition of Aleksandar Hemon's *The Question of Bruno* and David Bezmozgis's *Natasha*, a stunning debut collection of short fiction that nails with deadpan irony the dislocations of exile and the disconnects of daily life. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction, novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore, and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
