The Legend Of Dia

The Legend Of Dia:

The Legend of Diadamia C. J. Fisher, 2005-12-05 Longtime residents of the Rhode Island mill village Amethyst Hill can tell you all about the haunting in the town's old cemetery. The legend of the Amethyst Hill ghost has been around for as long as they can remember. But the story becomes all too real for shopkeeper Lydia Gwyndorra and her friend Cory Spenceton who is the sole heir to the mansion that overlooks the town where the Spenceton Textile Mills were once a prosperous industry. With the discovery of some old diaries and stories from the past, Lydia and Cory are curious to learn what happened that turned a beautiful intelligent young woman from the 1920s into the terrifying Amethyst Hill ghost. While they uncover this compelling tale of murder and deception, the supernatural activity around them intensifies at an alarming rate as though the ghost were watching their every move and manipulating Lydia and Cory into playing out the parts in a twisted reenactment of her past. Discovering the truth behind the legend may no longer be a mere curiosity. It now may be a matter of life and death. A sequel to *Afterimages*. *The Legend of Diadamia* is C. J. Fisher's second novel, again combining his love of the old amusement parks from New England with his fascinations in history, architecture, movies, ghost stories, and new age philosophy. **Catalogue of mediæval & later antiquities contained in the Mayer museum. Siluk, 2014-07-16 Most folks to include poets prefer poetry on death to entail mostly courage and strength. I don't disagree completely with that, only partly, for submissive suffering is also involved, yet many folks just do not want to look at both sides of the dying. Nowadays things are changing, and it is more permissible yet still bold to mix them together, and thus here we have just that. I prefer true emotions, be it aggressive or passive, when going through death voyages, for such are during a paramount loss of a loved one, dying day by day, especially one's mother, as in *Days*. In the second section of the book is the prose poem *Recapitulations*, or *The Meatpacker's Boy*, autobiographical in content. Also a few additional independent poems on Vietnam, America, An Old Furnace, and Commentary. Trials of a Poet. The third section, four new poems, *Coming of Old Age*. In section four, a letter from Pope Francis to the author, quotes, and the author's books. Much of the poetry in this book, *Days*, is done in a free verse style, long line form, other than the confessional, grieving poetry on the death of the poet's mother, a very deserted, overwhelming human undertaking, Rosa Pealoza. This is the poet's 47th book, 16th in poetry. He lives in Lima, Peru, and in the Andes in Huancayo, with his wife Rosa. He is from Minnesota and has won numerous awards for his writings. Presently working on several books. Back picture of the author taken in Huancayo, 2011. The Sorcerer's Burden Paul Stoller, 2016-09-24 This book emerges from the author's 35 years of research and thought about the Songhay people of Niger. This ethnographic novel follows the life of Omar Dia, the oldest son of a West African sorcerer. When his father falls ill and dies, the great sorcerer vomits a small metal chain onto his chest. Following the path of his ancestors,

Omar swallows the chain becoming his father's successor which means that he takes on the sorcerer's burden. The book also describes how custodians of traditional knowledge are creatively adapting to the forces of globalization all in a highly accessible narrative text.
