Mills,2015-07-20 Excerpt from *The Lhota Nagas* I have attempted in this monograph to give some account of the Lhota Nagas a tribe whose dour attitude towards inquirers has caused them to be somewhat neglected in the past Boasting no great knowledge of anthropology I have avoided theories and confined myself to facts During some three years residence at Mokokchung as Assistant Commissioner I have had considerable opportunity of becoming acquainted with the habits and customs of this tribe many individual members of which are now my personal friends The generosity of the Assam Government has made the publication of this monograph possible and my thanks are due to my many friends who have assisted me in the preparation of it But for the encouragement and advice of Mr J H Hutton Deputy Commissioner of the Naga Hills and Director of Ethnography in Assam it would probably never have been written He has helped me throughout in every possible way and has contributed a most valuable introduction and notes I am further indebted to Mr Hutton for six photographs and a drawing while for two other photographs my thanks are due to Mr S G Butler I have further to thank Miss
